

NOTICE OF MOTION

Council Members are asked to consider the undermentioned Motion:-

(i) Notice of Motion – Trades Union Officials

This Council understands and recognises the valuable role played by Trades Unions in ensuring effective industrial relations and reaffirms the principle of providing reasonable support to Trades Unions including time off for stewards for this purpose.

However, this Council believes that given the current state of the public finances and the ability of Trades Unions to raise their own funds through membership fees, taxpayer subsidy of full time Trade Union officials should now be brought to an end.
