OUTCOME	ROLE FOR AREA COMMITTEES	ACTIONS	Place Board to Consider	LEAD AGENT	PROGRESS REPORT	Area Committee Update Due	RAG
1 Corporate: An attractive modern city where people choose to invest, live, work and spend leisure time. Area: A vibrant East Sunderland: Promote high quality built and natural environments.	Strategic Influencing Role	1. To investigate the feasibility of introducing a selective licensing scheme in Millfield and receive an update on the selective licensing scheme in Hendon.	11-Sep-12	Alan Caddick, HHAS	A Caddick hosted a meeting with Millfield - Cllrs. Explained about the characteristics of the ward, including empty properties, HMO's, private landlords, ASB, etc. Regarding selective licensing scheme - the scheme is mandatory from the government. No more schemes are coming forward therefore it cannot progress in Millfield. However an option is to learn from the principles and policies the Council have in existence and utilise these in Millfield. A Caddick agreed to host regular briefing updates with Millfield Cllrs. ONGOING		G
		2. Local Development Framework workshop to be delivered to all elected members, providing an opportunity to influence use of land in the area e.g. residential housing, cycle routes, transport, etc	tbc	Gary Clasper, OCE	Planning Policy Team are co-ordinating an area specific workshop. ONGOING	07-Jan-13	G
		3. Receive appropriate reports of progress plans, policy and strategy relating to Place	-	Vince Taylor, OCE	CB to discuss with VT.	Rolling programme	G
	Local Action	4. Consider better usage of council assets no longer used or not needed for operational purposes. Consider additional support required to enable community groups to manage public services, facilities and assets.	20-Nov-12	Nicol Trueman, OCE	Current policies exist to dispose of assets to both the private and VCS sector groups. Interested parties should first approach the Council if interested in bringing back assets into use. NB: NE Sports working with S&L re: securing funding to bring back Belford House playing fields into use. ONGOING	07-Jan-13	G
	Local Action Key Priority: Support the installation of the Coastal Path along Ryhope and Hendon	5i. River corridor: site visit identified potential to deliver an artistic project at Panns Bank to promote the City/University.	11-Feb-13	Nicol Trueman, OCE	NT speaking to Planning, Conservation and Structural Control, if feedback positive, will approach University regarding art work. ONGOING	22-Apr-13	G
		5ii. River Wear Trail boards renewal programme - proposals delayed for boards to be replaced.	11-Feb-13	Tim Ducker, City Services	Estimates are being produced for work to be carried out. T Ducker to keep working group up to date with developments. ONGOING.	22-Apr-13	G
		5iii. Explore better than basic signage along the coastal route.	11-Feb-13	Coastal Working Group	Work continues on gathering information for the mapping exercise. A communication request form was submitted in Apr 12, seeking advice on the way forward. Awaiting feedback. NT chased J Peverley for update. ONGOING	22-Apr-13	A

		5iv. Durham Heritage Partnership have submitted a funding bid to HLF £444,900 and SIB £50,000 to contribute towards physical improvements of the coastal path.	11-Feb-13	Nicol Trueman, OCE	The working group attended an event delivered by Durham Heritage Coast in June, which walked the Durham part of the route leading into the City. Then in July, Ryhope Fishing Club took members along from Ryhope Village to Toll Bar. NT to speak to Niall regarding outstanding SIB application. ONGOING	22-Apr-13	G	
		5v. To consider installing a viewing point along High Street East.	11-Feb-13	Nicky Rowland, City Services	Estimates are being produced for work to be carried out. ONGOING	22-Apr-13	G	
2	Corporate: A responsible well looked after city that is adaptable to change. Area: Desirable neighbourhoods in East Sunderland: Ensure neighbourhoods are environmentally sustainable and have the right mixed of facilities and services that meet the needs of local people A strong sense of community.	Strategic Influencing Role	6. To influence the design, delivery and review of RLS Streetscene Services including graffiti removal, fly tipping, litter, dog fouling, grass cutting, refuse collection, recycling, with the addition of parks, repairs and play inspections.	Standard item	Helen Peverley and Nicky Rowland	The first part of each Place Board meeting will be dedicated to discussing streetscene service. Members have a strategic influencing role regarding the design, deliver and review of RLS. ONGOING	Standard Item	G
			7. Report to be presented on lessons learned from Coalfields and North Sunderland Area Committees, on the work they have achieved and delivered in relation to allotments. Consider actions for the Place Board.	01-Oct-12	Pauline Hopper, OCE	Meeting arranged to discuss further with PH. - following East area tour in July, Tunstall Allotments have offered to provide support/toolkit to any future groups which maybe considering becoming a devolved site. ONGOING	07-Jan-13	G
		8. Receive appropriate reports of progress plans, policy and strategy relating to Place	tbc	V Taylor, OCE	CB to discuss with VT.	Rolling programme	G	
		Local Action Key Priority: Walk and Talk Programme	9i. Elected members agreed that routes would be designed based on customer insight information received at Place Board meetings. Area Officer to contact Cllrs to arrange dates of programme. Agreed three wards walks per year, plus two around the City Centre. Total number of walk and talk sessions 17	11-Sep-12	Nicol Trueman, OCE	Programme agreed. ONGOING	07-Jan-13	G
	9ii. Information to be publicised across the East, via VCS Area Network, Community News and Press Releases.	11-Sep-12	Nicol Trueman, OCE	Programme promoted, but more work needs to be done to involve residents. ONGOING	Rolling programme	G		
	9iii. Cards to be printed displaying the route and approximate times members and partners will be in the area. (TBC)		Nicol Trueman, OCE	NT log request with Commuciations Team, awaiting feedback. TBC	-	G		
	9iv. Circulate cards to elected members to deliver to households on route one week before proposed session. (TBC)		Nicol Trueman, OCE	NT to seek members opinions on this.		G		
	9v. Actions to be log and agreed at the end of each walk Lead elected member responsible for feeding back into the next Place Board. Log sheet to be updated and available via sharepoint for Place Board to monitor. Support will be provided to members by Scrutiny and Area Arrangements	ongoing	Elected member and Nicol Trueman, OCE	First wave of events: Doxford 4th Oct; Hendon 19th Sep; Millfield 14th Sep; Ryhope and St Michaels 8th Oct and City Centre 12th Sep. Action Plan sheet to reflect actions. ONGOING	Rolling programme	G		
	9vi. To identify projects for allocation of SIB and seek endorsement from Area Committee	ongoing	Place Board		Rolling programme	G		
	Local Action Key Priority: Visual appearance and reputation of the area	10. Improve visual appearance and reputation of main roads leading into the City Centre.	11-Sep-12	Nicol Trueman, OCE	Place Board need to agree the scope of the priority, for example, identify main roads; what works will be considered e.g. roundabouts/highway barriers, commerical premises, etc.	07-Jan-13	G	

3	Corporate: A well connected City. Area: A well connected East Sunderland: Continue to promote accessibility across East Sunderland and ensure transport networks meet local needs.	Strategic Influencing Role	11. Area Committee to be consulted on Quality Controlled Contracts.	-	James Third, Nexus	The QCS proposal has now been submitted to the ITA by Nexus. The North East Bus Operators Assoc (which has been established as a collective of bus operators to form a partnership bid) will also be putting forward proposals for a scheme in the coming weeks and both proposals will be considered at the November ITA. Further public consultation will be fundamental and follow any decision by the ITA with regard to influencing routes, times and fares. Under a QCS scheme, implementation would not be until at least 2015, under voluntary partnership implementation will be much sooner. ONGOING	07-Jan-13	G
			12. Area Committee to receive an update on the future plans for the Port of Sunderland and consider any added value or actions to be delivered via Place Board	tbc	Charlotte Burnham, OCE	CB to discuss with MH. Area Committee to consider either Sep or Jan 13.	tbc	G
		Local Action	13. Investigate current broadband connections across the area, looking at residential and commercial premises and report back to Place Board	tbc	Charlotte Burnham, OCE	CB to discuss with TB.	tbc	G
4	Corporate: A city where cultural identity and vibrancy act as an attraction. Area: Continue to support events which celebrates heritage and culture.	Strategic Influencing Role	14. Influencing role with City Services to determine future strategy for managing local events and celebrations.	22-Oct-12	Charlotte Burnham, OCE	CB to discuss with CA.	07-Jan-13	G
		Local Action	15. Continue to monitor and receive information relating to celebrations, events and activities and any new issues being raised throughout 2012-13.	22-Oct-12	Charlotte Burnham, OCE	CB to discuss with CA.	07-Jan-13	G
