**Presentation from Northumbria Police on Crime Rates Relating to the West Area**

The Chairman welcomed and introduced Sergeant Bruce Wild of Northumbria Police who presented a report detailing the statistics for total crime in the Sunderland West Area for the month of June 2008.

(For copy statistics – see original minutes).

Councillor Gofton welcomed the clarity of the new style statistics which provided an overall picture across the whole of the West Sunderland Area. The Chairman also welcomed the overall picture provided, but regretted that the detail previously provided on a Ward by Ward basis was now missing. Sgt. Wild confirmed that he would feed Members views back to Northumbria Police.

Councillor T. Wright stated that the decrease in recorded crime shown in the statistics was backed up by a general perception within his ward that crime was decreasing. He believed that what was important now was to tackle people's fear of crime. Sgt. Wild replied that measures were being taken to address this issue and that the Community Support Officers played a major role in providing reassurance to the public.

(For copy report – see original minutes).

Norma Hardy, Head of Performance Improvement and Policy presented the report together with Kath Butchert, Integrated Youth Officer. Members were advised that the Strategy was based on government youth policy, from the initial green paper Youth Matters 2005 to Youth Matters Next Steps 2006 and the Education and Inspections Act 2006. All of these policies required Local Authorities to:-

- Establish Integrated Youth Support Services (IYSS) throughout England by December 2008;
- Work together across traditional boundaries to enable integrated delivery of frontline services;
- Engage all young people in constructive positive activities for a minimum of 2 hours per week.

Local Authorities had a statutory duty to ensure young people had access to a full range of positive activities within integrated frontline delivery. The Draft Strategy and associated consultation would support the Council and the Children's Trust in developing a fully integrated youth support service which was available to all young people and targeted support for those who needed it.

Members were advised that the consultation process would close in September 2008 and the results would be reported to the Committee in the autumn.

4. RESOLVED that the Integrated Youth Strategy 2008 to 2011 Consultation Document and the associated consultation process be supported.

- Ensure all children and young people are given the opportunity, skills and support to actively participate in the decision making processes and shape the services they need;
- Provide a co-ordinated approach across the Children's Trust to developing a culture and practice of participation;
- Provide a framework for developing the safe, effective and genuine participation of children and young people across the Children's Trust;

Councillor T. Wright referred to the ice rink and expressed disappointment that it had been relocated away from Mowbray Park which seemed to be the most suitable venue. With regard to the Penshaw Bowl, he noted that although it had been held on its traditional date, it was unfortunate that this year it had not coincided with the

school holidays. He believed the Armistice commemoration was a great advert for Sunderland and suggested that to promote the educational aspect of the event, head boys/girls of the City's secondary schools be invited to lay wreaths at the ceremony.
