Yes

Suggested reason(s) for Decision:

The Area Committee has been allocated £405,076 per annum from the Strategic Initiatives Budget to promote action on key priorities identified in the relevant Local Area Plan and to attract other funding into the area.

The Community Chest forms part of the Strategic Initiatives Budget and £250,000 is available for the scheme in 2010/2011; £10,000 for each Ward.

Strategic Investment Plan (SIP) was approved at Cabinet in March 2008. Included within the plan was an additional one-off allocation of £1.426m to Area Committees. The amount allocated to each Area Committee was the same as SIB allocation for 2008-09. SIP can only be used to deliver capital projects, deliver key priorities identified in the LAP with its main purpose to attract other funding into the area.

Alternative options to be considered and recommended to be rejected:

The circumstances are such that there are no realistic alternatives that could be considered.
