**Is the decision consistent with the Budget/Policy Framework?**                      Yes

**Suggested reason(s) for Decision:**

Each Area Committee has been allocated a minimum of £200,000 per annum from the Strategic Initiatives Budget to promote action on key priorities identified in the relevant Local Area Plan and to attract other funding into the area.

The Community Chest forms part of the Strategic Initiatives Budget and £250,000 is available for the scheme in 2011/2012; £10,000 for each Ward.

Strategic Investment Plan (SIP) was approved at Cabinet in March 2008. Included within the plan was an additional one-off allocation of £1.426m to Area Committees. The amount allocated to each Area Committee was the same as SIB allocation for 2008-09. SIP can only be used to deliver capital projects, deliver key priorities identified in the Work Plan with its main purpose to attract other funding into the area.

**Alternative options to be considered and recommended to be rejected:**

The circumstances are such that there are no realistic alternatives that could be considered.

**Is this a "Key Decision" as defined in the Constitution?**                      No
