

ENVIRONMENTAL AND PLANNING REVIEW COMMITTEE

16 June 2008

1. MORI SURVEY – SUNDERLAND RESIDENTS’ SURVEY

2. BRIEFING NOTE – WORK OF THE COMMITTEE

REPORT OF THE CITY SOLICITOR

Strategic Priority : Attractive and Accessible City

1. Why has this report come to the Committee?

- 1.1 This is a background report for the information of those Members of the Committee who were unable to attend the First Annual Scrutiny Workshop held at the Stadium of Light on 20th May 2008.

2. Background

- 2.1 The information attached at Appendix A and B was included in the information packs provided to Members attending the event on 20th May.

3. Current position

- 3.1 In their discussion regarding priorities for the work of the Committee for the forthcoming year, Members engaged in a break out session and considered the information attached, comprising an extract of information from the MORI survey relevant to the remit of this Committee, together with the briefing note on the previous work the Committee has undertaken in previous years.

4. Conclusion

- 4.1 In planning their priorities for policy review, Members will wish to take account of the attached information.

5 Recommendation

- 5.1 That Members receive the attached papers for information.
