ACTION TAKEN ON PETITIONS

Council members are asked to note the action taken in relation to the under mentioned petition which was presented to Council.

- (i) Petition to provide additional parking facilities in the vicinity of Lakeside Towers – Presented by Councillor Porthouse on 26 September, 2012**

The Head of Streetscene has considered the petition for additional parking places at Lakeside Towers and recognises the issues, however, there is no opportunity to improve the facilities within the existing Highway Boundary and this limits the Council's ability to intervene.

The provision of new parking facilities must be considered the responsibility of the owner / developer of the site and therefore a copy of the petition and the Head of Streetscene's response has been copied to Gentoo for their consideration.

Councillor Porthouse, the Portfolio Holder Councillor Blackburn and the lead petitioner have been informed accordingly.
