

# Keir Hardie Play Area

**Formal play equipment**

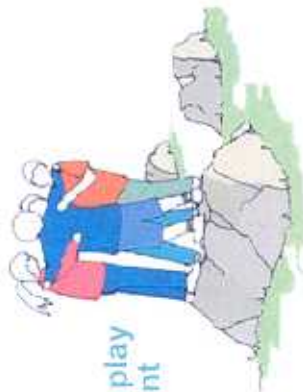

New basket swing to enable children to play together

Informal terraced seating set into grassy slope

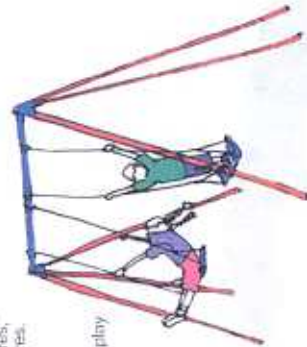

New gate and path to main play equipment

## Informal play equipment

New play equipment with a mix of balancing and climbing features, mounds and spheres, to challenge older children

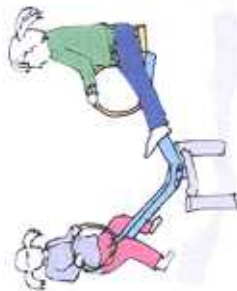

Grass mounds for play and seating

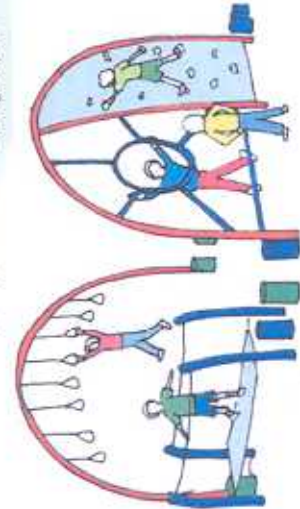

New roundabout

Boulders to provide an informal play experience

New entrance area with trees to provide summer shade and colour and a mix of traditional, metal park seats and informal logs seats which can be used as informal play equipment

Fence moved to edge path and new self-closing gate added
