1. Purpose

- 1.1 To consider arrangements for a proposed special meeting on Sub National Economic Development and the role of the North Eastern Local Enterprise Board.

2 Background

- 2.1 In setting its work programme for the year, the Committee agreed to include an update on Sub National Economic Development and the role and progress of the North Eastern Local Enterprise Board.

3 Current Position

- 3.1 In view of the scale and importance of the issues involved, it is suggested that the Committee may wish to arrange for a half day event to be held sometime in February 2012 and may also wish to open up the event to all members of the Council.
- 3.2 A programme for the event is currently being developed. However, it is suggested that it include a range of speakers from the Council, the LEP Board and from the academic community.
- 3.3 The North Eastern Local Enterprise Partnership covers seven local authority areas across Durham, Gateshead, Newcastle, North Tyneside, Northumberland, South Tyneside and Sunderland. With a population of two million and an economy valued at £32 billion per annum, it is the fourth largest of 28 Local Enterprise Boards in the UK.
- 3.4 The Partnership brings together local authorities, businesses, universities, colleges and the voluntary and community sector. The Board comprises nine employers, seven council leaders and two education chiefs. The Partnership is chaired by Paul Woolston, senior partner at accountants PwC.

3.5 The LEP's vision is to rebalance the economy and create Europe's premier location for low carbon, sustainable, knowledge-based private sector growth and jobs. The Partnership will work to achieve four strategic priorities:

- Supporting Enterprise and Private Sector Business Growth
- Building on Key Economic Strengths
- Improving Skills and Performance
- Strengthening Transport, Connectivity and Infrastructure
