

Community Action: New Issues Log

Priority	Issue	Date raised/ to be discussed	Evidence and/or Data Source	Next steps	Lead Agent(s)
Make the streets and environment more attractive Provide more accessible sporting and exercise facilities	Planning for open space, sport and recreation.	28.07.10	1. Local Development Framework.	<p>There is a need to revisit the green space survey from 2002, which illustrates the broad range of open spaces that may be of public value, for example, green corridors, parks, allotments, etc.</p> <p>The option is to host an initial workshop inviting representatives along to identify spaces in the Coalfield area which match the planning policy guidelines for open spaces. After the workshop each recognised open space would then be assessed against the recommended criteria to assess the value of area/land to the community. This exercise could involve Councillors, Friends Groups, VCS groups and Officers working together, with an overall report being presented to Committee.</p>	Pauline Hopper, Office of the Chief Executive (OCE), with support from Clive Greenwood, OCE.
