

## Appendix 3a (i)

**From:** P. Carlton  
**Sent:** 18 September 2009 14:51  
**To:** Judith Forster  
**Subject:** 6th form provision

Providing a 6th form will benefit the learners and community of Houghton-le-Spring and surrounding areas. Under privileged children will be able to continue their education, providing them with opportunities for career choices while not placing financial burdens upon their parents/carers. Academic study will be available enabling all to progress into further education and hopefully university.

This opportunity has been taken away from this community - this choice is for the good of not only learners but business within the are too.
