Richard Ord Address supplied on file Senior Buyer	Hill View Infant School	As I am employed I can still give my time on an evening to attend meetings.	I have been a parent governor at Hill View Infant School for the past 8 years.	I was Chairman of Hill View Schools Junior & Infant PTA for 6 years and I am also a governor at Southmoor School.	The experience I have gained over the last 9 years as a governor and in the PTA involving 3 schools has helped to understand a balance of needs that schools and pupils require.
Laura Kerry Address supplied on file Computer Centre Manager	Any Secondary School in Washington Area	I work full time however I am more than happy to attend evening meetings and help out at evening and weekend events. I do not have any children and therefore I can be pretty flexible with spare time.	I used to work for both Sunderland City Council and South Tyneside Borough Council as a Travel Plan Officer, responsible for working with schools to produce school travel plans and cut congestion outside of school buildings. This involved regular visits to schools, chairing parent and staff meetings to steer the travel plan as well as helping children to participate in cycle/walking training and giving presentations to advise them on how to use public transport.		I write and deliver a park wide travel plan to promote sustainable travel. Organise events, introduce new bus services, access onsite facilities, monitor progress to review objectives & targets, help to set up car parking policies & discount travel schemes, chair the travel plan steering & bicycle user group, give presentations to chief executives and employees. As a pupil at Washington School (1994-99) I was very social and outgoing.
