

COUNCIL

25TH JUNE, 2008

NOTICE OF MOTION

Council Members are asked to consider the undermentioned Motion:-

Notice of Motion – Local Tax Burden

This Council recognises that higher bills and the rising cost of living is making it increasingly difficult for people to make ends meet. Furthermore, this Council believes that Council Tax bills have reached the limit of what is acceptable or affordable and therefore instructs the Acting Chief Executive to bring forward, in conjunction with the City Treasurer, proposals for additional future cost savings to ensure that Council Tax bills in Sunderland do not rise in 2009/10.
