

## ANNEX 1

## Washington Area Action Plan- Safe

Priority	Objective	Action	Timescale	Lead Officer	Progress	Next Steps/Who?	Performance Measure
Reduce anti Social behaviour including tighter control on sale and access to alcohol and increase police/CSO presence on streets	Tackle misuse of alcohol and Licensed premises should be encouraged to sign up to 21+ scheme	Area Committee to identify hotspots or areas of concern around illegal sales of alcohol, to enable targeted bottle tracing exercises and test purchase exercises to be completed with child volunteers. (AC via LARAG)		Tom Terret. Environ'al Services	Several areas identified. Info passed to Northumbria Police.Trading Standards carrying out a number of initiatives - Advisory visits to premises, provision of material, recording of refusals to u 18s. Still carrying out test purchases altho' not targeted at Washington this year. Most incidents are carried out by friends/family. Options for banning orders for repeat offenders, use of CCTV. 1 x FT Officer (Trading Standards) working on alcohol and tobacco issues	Further updates. Co-ordination of intelligence and information required	% of residents who consider people being drunk or rowdy in public spaces to be a problem
Reduce anti Social behaviour including tighter control on sale and access to alcohol and increase police/CSO presence on streets	Tackle misuse of alcohol	To work with engagement and motivating team (Turning Point, gateway to drug and alcohol services) to identify and target hot spots areas in conjunction with local GPs, youth agencies and police (possible outreach work)		Sunderland Safer Partnership	No update - need to arrange meeting with SSP and invite to Washington Safe Working Group		
Reduce anti Social behaviour	Reduce substance and alcohol misuse	1. Improve transitions between young people and adult drug and alcohol services (Children Services and HHA) 2. To continue to engage and retain substance users within the treatment services and in accordance with		HHAS & Children's Services	No update at present		
Reduce anti Social behaviour	Target ASB, including domestic violence	Look to continually improve partnerships and keep close link work with Police as well as Council.		SSP	Co-ordinate information through LMAPS - developed from a day to day information sharing perspective to more formalised partnership working including LMAPs, MAPPA, MARAC, PDP (Potentially dangerous persons). Review to be carried out by the Community and Safer City Scrutiny Committee and a further report to be provided in April 2010		
Reduce anti Social behaviour	Tackle action against secondary fires, fly tipping, poor private landlords and private tenants	Identify how many private landlords in the area and how many accredited. Raise awareness re support and work between SCC, TWFB, RSLs, Gentoo and private landlords		Derek Welsh	Report presented to November Area committee outlining stats, support services and partnership working.	Further updates to be received. Co-ordination through LMAPS and Washington Safe Working Group	

Reduce anti Social behaviour and the fear of crime	Develop a safe environment: green spaces, underpasses and unlit walkways by targeting known hotspots of disorder	1. Improve intelligence sharing with partners, police, Gentoo, Environmental Enforcement Officers and Cllrs. 2. Continue with the Phoenix Project 3. Gentoo to share Diversionary Plans information and tenancy breaches 4. YOS to investigate and feedback re implementation of Community Payback Scheme		1. LMAPS 2. Area Committee 3. Gentoo - Chris Marshall 4. Simon Smart (Childrens Services)	1. Through LMAPS and joint Meetings with Police and Councillors 2. Phoenix Project funded through SIB Nov 2009. 3. Information provided to Washington Safe - recent arrests made, evidence of a perceived problem rather than actual crime. Cut it out campaign. Targeting by Police. Amanda Ledner to provide further reports 4. TWF&R provide statistical information every five weeks via LMAPS.	Further reports to be received	
Reduce anti Social behaviour and the fear of crime	Develop a safe environment: green spaces, underpasses and unlit walkways by targeting known hotspots of disorder	1. Area Committee to identify hotspots or area of concerns with regards to all environmental issues and agree any early wins. 2. TWF&R to provide costs of delivering the Youth Fire Fighters Association across the area, linking this into Duke of Edinburgh and Mavers Award.		1. Area committee	1. Localised Responsive Services Report to January 2010 committee 2. Discussions held with Station Manager. Agree to wait until mapping exercise of youth provision completed in the area to see if this project would be value for money.		
Reduce anti Social behaviour and the fear of crime	Develop a safe environment: green spaces, underpasses and unlit walkways by targeting known hotspots of disorder	Feedback on the success of Neighbourhood Wardens, which were used in Sunderland North to improve the quality of life for local people.		HHAS	Review to be carried out by the Community and Safer City Scrutiny Committee and a further		
Partnership Working	Councillors and police to strengthen relationships with partners and local residents	Introduce more Neighbourhood Watch schemes across Washington		Inspector Paul Barrett (Northumbria Police)	Joint Meeting with Councillors Dec 09 to identify potential schemes.	Follow up by Northumbria Police January 2010	% of residents who strongly believe they belong to their neighbourhood
Partnership Working	Councillors and police to strengthen relationships with partners and local residents	Results from the Fear of Crime Survey to be feed into the LAPs.		Area Officer	The data will be feed into the LAPs via the Area Officer, with support from the Performance Improvement Team.		
Partnership Working	Councillors and police to strengthen relationships with partners and local residents	Promote PACT and Joint Meetings with councillors		Area Officer	Meetings scheduled	Schedule 2010/11 to be confirmed	% of residents who feel they can influence decision in their locality
Partnership Working	Councillors and police to strengthen relationships with partners and local residents	Increase the profile of Community Safety Days across the area, via use of a mobile bus		LMAPS	Discussion to be held at future meetings of LMAs re: Community Safety Days across the area.		
Partnership Working	Strengthen relationships between Area committee and young people	Invite young people from youth groups and schools councils to attend future Area Committee to showcase positive attitudes and projects		Childrens Services	Contact has been made with Washington Youth Forum and Youth Development Group to arrange a meeting to discuss the linkages that can be forged between the two boards.		
Communications	Promote and recognise good news stories	Establish a Communication Strategy to support Area Committee.		Corporate Comms	dedicated Communication Link Officer has been identified for Washington. A Washington Area Newsletter is getting launched in Autumn, which will be posted to every household in the area.
