

## West Area Committee

**Safe priorities for further development and action**

The following areas were identified as those requiring further development and action:

- Neighbourhood Wardens;
- Community Safety Days;
- Community Payback Scheme;
- Neighbourhood Watch Schemes.

**Proposals****Neighbourhood Wardens**

A city wide approach is to be developed around the scheme. A report will be brought to Area Committee to outline options and future opportunities for providing the Neighbourhood Warden Scheme in the West.

**Community Safety Days**

Gentoo are currently reviewing the format of Community Safety Days and are looking to replace with a more customer facing delivery format. This will be discussed with partners at LMAPS and a report brought to Area Committee.

**Community Payback Scheme**

A detailed report will be brought to the November meeting; this will outline costs, benefits and outcomes.

**Neighbourhood Watch Schemes**

The Police will provide a verbal update to the Area Committee.
