

Healthwatch Sunderland Update

June 2014

Background

What is Healthwatch? Healthwatch is the new independent consumer champion for both health and social care services.

Healthwatch is unique as a non-statutory body with statutory powers

Healthwatch Sunderland governance is made up of an Executive Board responsible for the direction of HWS and accountable to its membership

Progress

The Healthwatch Sunderland Executive Board were recruited at the end of October and met for third time in May 2014.

Promotional materials continue to be distributed widely at external events raising awareness and recruiting members. The membership stands at 87 groups/organisations and 73 individuals.

Posters and leaflets were sent out to council locations, GP's, pharmacies etc highlighting the new office address and what Healthwatch Sunderland is, in November 2013, and we are keen to continue promoting the information and signposting service.
