

REQUEST FOR ADDITIONAL FUNDING FOR PREVIOUSLY AGREED PROJECTS

1. Durham County Show

Durham County Agricultural Society was awarded £1,500 SIB in October 2007, as part of a £17,500 one-off citywide project to provide leverage funding for the Durham County Show.

The original application to this committee was premised on the Coalfield Area Committee allocating £10,000 of the total submission.

However, this has changed and Area Committees have been asked to contribute equally to this project. An equal allocation for each committee is £2,917.

The Committee are requested to increase its SIB allocation by a further £1,417 to enable completion of the funding package.
