**ACTION TAKEN ON PETITIONS**

**Council members are asked to note the action taken in relation to the under mentioned petition which was presented to Council.**

- (i) **Petition by residents of Brackley and Shalstone, Sulgrave, Washington to request closure of a footpath between Brackley, Shalstone, Trafalgar Road and Pensher View, Sulgrave. The petitioners allege that the footpath gives rise to crime and safety concerns – Presented by Councillor Walker on 26 September, 2012**

The petitioners request that the footpath, between Brackley, Shalstone, Trafalgar Road and Pensher View be closed cannot be promoted due to the expressed level of objection to closure/gating of the footpath and Government Legislation not being met; therefore, the footpath will remain open and available for public use. However, it is proposed the lead petitioners' concerns are addressed by way of PACT meetings, (Partners and Communities Together). The PACT meetings will aim to reduce levels of crime and disorder in and around Shalstone, Brackley, Pensher View and Trafalgar Road, Washington.

Councillor Walker and the lead petitioner have been notified of the decision.
