HW35.	Health and Wellbeing Board to sign up to the Prevention Concordat for Better Mental Health for All	Lorraine Hughes	Revised timescale October 2022	<p>This action has been postponed until October 2022 as Sunderland was successful in securing national Better Mental Health Funding until June 2022 as a response to the Covid inequalities in mental health. The expectation is for the Council to sign up to the Concordat at the end of the programme, hence the original timescale for signing the local Concordat was deferred.</p> <p>The Concordat application has been drafted and it is anticipated the Council will submit this to the Office for Health Improvement and Disparities by the end September 2022.</p>
