REPORT OF NORTH AREA VOLUNTARY AND COMMUNITY SECTOR NETWORK

1. Purpose of the Report

1.1 The report provides an update with regard to the North Area Voluntary and Community Sector Network

2. Background

2.1 To develop the capacity and influence of the Voluntary and Community Sector (VCS) across the City, Area Networks have been established and delegates represent each Area Network at Area Committee taking forward issues on behalf of the whole VCS in the area, reporting on area priority delivery by the VCS, and reporting back, providing a two-way flow of communication.

2.2 North Area Network delegates will present a report to each Area Committee meeting informing Members of activity, progress, issues and concerns of the sector.

2.3 The North VCS Network is made up of over 100 local groups and strategic local/national/regional partners. The network meets on a regular basis to share good practice, support one another and receives regularly updates as part of an information share e bulletin distributed via the Sunderland VS Alliance.

3. North Voluntary and Community Sector Network (VCSN) Progress Report

3.1 The North VCS Network met in June 2023 at Castletown Methodist Church and September 2023 at Redhouse Community Centre

3.2 The meetings have included the following agenda items:

- Health Screening Programmes
- Networking and Information Share Opportunities
- Change the Game
- Wear Moving

3.3 Members of the Network joined Sunderland Council and the Sunderland Integrated Care Board (Health) for breakfast on Thursday 15th June 2023, to discuss future opportunities to work together in the city, developing community hubs and our community support offer for residents. The following themes were consistently discussed at each table with a high amount of consensus over the challenges or opportunities associated with the themes. Members of the network were asked to sign the pledge for Links for Life

In summary they were:

- Opportunities to network and collaborate,
- Potential and challenges of Links for Life,
- Capacity in the sector
- Attitudes to the NEPO portal.

- 3.4 Moving forward from the Warm and Welcoming spaces, we are working closely with the sector to extend and co-produce the 'welcoming warm spaces'. Members of the network have been informed there will be launch for a new call for projects in September, to enable the community support offer to move into 'Links for Life' – Sunderland's social prescribing community support programme. The programme will build on the learning from the warm and welcoming spaces, ensuring we are able to offer services and support within our communities – support and activities which bring residents together, enable active engagement and improve health, wellbeing and financial resilience.
- 3.5 Members of the network continue to welcome funding opportunities and social value opportunities from SVSA. The Area Arrangements team are working in collaboration with the Sunderland VCS Alliance (SVSA) and wider Council services and partners to bring forward social value from investments and from businesses delivering in the city, to support the voluntary and community sector. The Area Arrangements team and the SVSA are also working together to understand where local community services are currently being delivered within the area, to support resident community resilience and wellbeing.
- 3.6 The Network representatives regularly consult with the Network to ensure that the agenda items reflect their requirements.
