

**At a meeting of the COMMUNITY AND SAFER CITY SCRUTINY COMMITTEE held in the CIVIC CENTRE on TUESDAY, 20<sup>TH</sup> APRIL, 2010 at 5.30 p.m.**

**Present:-**

Councillor Heron in the Chair

Councillors O'Connor, Scaplehorn and Timmins

**Apologies for Absence**

Apologies for absence were submitted to the meeting on behalf of Councillors Ball, Copeland, Paul Maddison, Morrissey, D. Smith and J. Walton.

**Minutes of the Last Meeting held on 9<sup>th</sup> March, 2010**

1. RESOLVED that the minutes of the last meeting of the Committee held on 9<sup>th</sup> March, 2010 be confirmed and signed as a correct record.

**Declarations of Interest (including Whipping Declarations)**

There were no declarations of interest.

**Developing Confidence in the Criminal Justice System – Magistrates' Court**

The Chief Executive submitted a report (copy circulated) to receive an update from Lisa Shotton, Legal Advisor, and John Scott, Chairman of the Houghton Bench with Sunderland Magistrates' Court, on the work of the Courts and measures being taken to develop confidence in the criminal justice system.

(For copy report – see original minutes).

Ms. Shotton informed the Committee of a number of events the Magistrates attended, including the Policing Pledge road show, Witness Charter road show, Community Crime Fighters, Safer Sunderland Partnership Annual Forum and a number of resident meetings which had enabled Magistrates to move onto a higher level of community engagement.

Councillor Scaplehorn commented on the great improvements in the support he had received as a witness for the prosecution compared to previous experiences.

Ms. Shotton advised that a witness support system was now in place and had been well thought out to address people's concerns in relation to fears over repercussions etc, so now it was just about getting the message across to people.

The Chairman commented that in the past Police Officer community engagement had been poor, but now Officers were much more proactive and he was pleased to see the Magistrates following suit. The Chairman also hoped the good practice would continue.

Ms. Shotton advised that it was a long term initiative.

2. RESOLVED that the report be received and noted.

### **XL Youth Village – Update**

The Chief Executive submitted a report and Powerpoint presentation (copy circulated) for the Committee to receive an update from Andy Neal, Youth Development Group Manager, on the progress and achievements of the XL Youth Villages.

(For copy report – see original minutes).

The Chairman commented that after a recent visit to the youth villages he had been most impressed with the interaction between the Youth Workers and young people.

Councillor Timmins commented that he was delighted to see the Youth Development Group looking at the information and intelligence gathered from the events and that it would be interesting to establish why participation from youths seemed to decrease at age 17 and if the right age groups were being targeted.

Mr. Neal commented that it was a valid point that participation trailed off at around age 17 and that the younger children tended to be more involved. The Group were looking at targeting the 13-19 age range.

The Chairman encouraged Members to visit the villages.

Councillor Scaplehorn commented that he had visited three different youth villages and felt that they offered an excellent service.

In response to Councillor O'Connor's query, Mr. Neal advised that there was a good mix of cultures, especially at the Hendon location and whilst the participation numbers were low, the outcomes were the best.

The Chairman requested that Mr. Neal inform all Members of the Council of the locations of the youth villages to enable them to attend.

3. RESOLVED that the report be received and noted.

### **Performance Report Quarter 3 (April-December 2009)**

The Chief Executive submitted a report (copy circulated) to provide the Committee with a performance update relating to the period April to December 2009. This quarter included:-

- Progress in the relation to the LAA targets and other national indicators;
- Progress in relation to the Fear of Crime Policy Review Recommendations;
- Results of the annual budget consultation which took place during October/ November 2009.

(For copy report – see original minutes).

The Chairman commented that some of the issues had been discussed under the Total Place programme, such as alcohol misuse and the effects this had on families and that he was pleased to see the Council had progressed a great deal in just one year.

4. RESOLVED that the Committee considered the continued good progress made by the Council and the Sunderland Partnership and those areas requiring further development to ensure that performance is actively managed.

### **Study into Anti Social Behaviour – Draft Final Report**

The Chief Executive submitted a report (copy circulated) for the Committee to consider the draft final review into the action being taken by the Safer Sunderland Partnership (SSP) to tackle anti social behaviour and perceptions of anti social behaviour in the City.

(For copy report – see original minutes).

Bill Blackett, ASB Strategy Manager, presented the report and advised that he would bring the results from the consultation carried out with young people on their views of anti social behaviour to a future meeting of the Committee.

The Chairman commented on the improvements made by the Sunderland Echo on highlighting the positive stories in the Echo, such as the XL Youth Villages.

5. RESOLVED that the key recommendations to the Cabinet include:-
  - i) that the comments and recommendations of the report be incorporated into the forthcoming SSP Anti Social Behaviour Strategy;
  - ii) the partnership consider the options for a more unified system of data capture, particularly across the housing sector, in order to improve the response of partners to ASB;

- iii) the partnership investigate how they might better identify potential victims of anti social behaviour;
- iv) the partnership review the enforcement measures available to partners and provide staff with guidance on the powers currently available for tackling ASB;
- v) the Council and its partners investigate options for improving the enforcement of environmental ASB and combat issues such as graffiti, litter and fly-tipping;
- vi) that partners investigate ways of expanding the operation of the Phoenix Project in order to help tackle areas experiencing higher levels of ASB fires;
- vii) that partners investigate the potential of expanding the operation of the XL Village concept throughout the City;
- viii) that partners investigate the potential of introducing improved security on houses and the potential of the youth work pilot operating working with young people;

### **End of Year Report 2009/10**

The Chief Executive submitted a report (copy circulated) seeking the views of Members on the operation and achievements of the Committee over the last year. The report, together with the comments of Members, would be submitted to the Management Scrutiny Committee on 29<sup>th</sup> April, 2010. The report would then be incorporated into an Annual Scrutiny Report which was being prepared for the service as a whole.

(For copy report – see original minutes).

Councillor Timmins commented on the difficulties partners faced in information sharing due to different systems of recording and that a central database for all may be of benefit.

Jim Diamond, Scrutiny Officer, advised that he believed Mr. Blackett was investigating the matter further with partners.

The Chairman referred to the ongoing Polycarbonate Glass Scheme and commented that whilst we may never know how successful it had been, it was an important piece of work.

6. RESOLVED that:-

- i) Members considered the operation, achievements and impact of the Committee during 2009/10; and

- ii) the report, together with the comments of Members, be submitted to the Management Scrutiny Committee on 29<sup>th</sup> April, 2010 and incorporated into the Annual Scrutiny Report.

## ANNUAL WORK PROGRAMME AND POLICY REVIEW 2010-11

REPORT OF THE CHIEF EXECUTIVE

8 JUNE 2010

### 1. Purpose of Report

- 1.1 For Members to determine the Annual Work Programme for the Scrutiny Committee during 2010-11, including the main theme for a detailed policy review.

### 2. Background

- 2.1 The Scrutiny Committee is responsible for setting its own work programme within the following scope:

*General Scope: To consider issues relating to community safety and promoting a cohesive, integrated and inclusive community.*

*Remit: Safer Sunderland Strategy, Social Inclusion, Community Safety, Anti-Social Behaviour, Domestic Violence, Community Cohesion, Equalities, Licensing Policy, Community Associations, Registrars.*

- 2.2 The Council's Scrutiny Committees are aligned to the relevant priorities of the Sustainable Community Strategy – the Sunderland Strategy. This allows each Scrutiny Committee to focus on the priority areas and targets in the Sunderland Strategy and Local Area Agreement (LAA) and for the work of all Scrutiny Committees to consistently address those areas of performance requiring detailed examination.
- 2.3 This approach allows a clear themed focus on the outcomes for the people of Sunderland, and allows for cross-cutting examination of issues, with potential for linking areas of knowledge and expertise that would not ordinarily be brought together, so increasing the likelihood of the committees identifying novel approaches and solutions to the issues they consider.
- 2.4 The most relevant Sunderland Strategy priority for this committee is:
- Safe City: To make Sunderland a place where everyone feels welcome and can be part of a safe and inclusive community, where people will feel secure and can enjoy life without worrying about becoming a victim of crime.*
- 2.5 All Scrutiny Committees will take a role in the scrutiny of partnership and area issues and have a role in engaging with partners, external scrutiny, community and public engagement, and engaging with media and area scrutiny.

### 3. Policy Review

- 3.1 Policy review is the process of maintaining an overview of council policies and will usually examine whether the Council and its partners intended policy outcomes have been achieved. The process will also explore issues such as the service user's perspective.
- 3.2 Policy reviews are project planned with appropriate methodology applied to investigate the chosen topic. This may include meetings, site visits, surveys, public meetings or analysis of comparative practice in other local authorities.
- 3.3 Previous reviews carried out by this Scrutiny Committee have included: Fear of Crime, Sunderland arc, Vibrant City Centre, Sunderland Housing Strategy, Communication with Sunderland Housing Group and Best Practice in Neighbourhood Renewal, Neighbourhood Renewal Fund and Community Cohesion. All previous reviews are available at <http://cityweb/directorates/chief-executive/scrutiny/scrutinyhome.shtm>
- 3.4 Following the selection of a topic for review, the Committee will receive a report setting out a possible approach to the review. This will include the terms of reference, definitions, links to corporate goals, partnerships, the national and local context, and proposals for gathering evidence.
- 3.5 The shortlist of topics for 2010-11 is listed below. The Committee is recommended to select one topic from this shortlist for an in depth review. The list includes all topics suggested by Members from the discussions held at the Scrutiny Conference on 20<sup>th</sup> May 2010.

Suggested Topics for Policy Review/Task and Finish Group		
	Brief Description	Objective
1.	Violent Crime Reduction	<p>Key performance measures on violent crime show a percentage rise in most serious violence against the person in the City. In addition the City has a high level of domestic violence which is highlighted in the Comprehensive Area Assessment.</p> <p>The Safer Sunderland Partnership Violent Crime Delivery Group covers violent crime, domestic violence, sexual exploitation and sexual violence.</p> <p>The Review would scrutinise the actions of the Safer Sunderland Partnership's interventions and actions to tackle most serious violence. This work would also impact on feelings of safety, fear of crime, women's public safety and public confidence in the criminal justice system.</p> <p>In addition; the City Council is required to have a local Tackling Violence against Women and Girls Strategy in place by April 2010 and as such input from the Scrutiny Committee would be invaluable.</p>

2.	Alcohol related Crime in the City Centre	To understand the powers of the council and other partner agencies in tackling alcohol-related crime across the city and consider the licensing policy and how licensed premises can contribute to reducing alcohol related crime.
3.	Community Safety: Diversionary activities for young people.	To identify how the Council can more effectively contribute to raising peoples' feelings of safety in their own communities by considering activities that are available for young people.

#### **4. Work Programme**

- 4.1 A draft work programme for 2010-11 with items already scheduled is attached as Appendix A.
- 4.2 The work programme can be amended during the year and any Member of the Committee can add an item of business to an agenda (See Protocol 1 Overview & Scrutiny Handbook).

#### **5. Conclusion & Recommendation**

- 5.1 The Committee is asked to:
- (a) Consider the draft Annual Work Programme for 2010-11 and indicate any additions or amendments; and
  - (b) Consider the list of suggestions for policy review and determine one topic for review.
- 5.2 Subject to any amendment at this meeting, the work programme will be submitted to the Management Scrutiny Committee in its coordinating role.

Scrutiny Exchange Live!

'Total Place, Total Accountability' debate

Accountability Works! Charter

In partnership with:

## CfPS 2010: Accountability works! sustaining outcomes in changing times

The theme for our 8th annual conference will be future accountability and transparency in public services. We will cover the important issues of the day: regaining public trust, tackling inequalities and addressing how to sustain outcomes from accountability in hard financial times. We will also debate how accountability can create opportunities for the public to shape the delivery of local services, for example, through the Total Place initiative.

CfPS 2010 is ideally timed to provide the perfect platform for the Government of the day to share their vision for accountability and transparency in public services with our delegates.

Interactive sessions will examine how public accountability and transparency can bring added value to the delivery of local services at a time when public expectations of services are high, but trust in organisations and institutions is at an all time low and budgets are likely to be cut.

On Day 2, our officer development programme will explore issues around community engagement, as well as discuss the role of scrutiny in challenging organisational culture and the potential risks that scrutiny might be under from budget cuts. Our member development day will offer councillors and other non-executive members an opportunity to network and discuss current issues. Themes will include questioning and chairing skills, skills needed to evaluate evidence and the role of politics in the scrutiny process.

### CfPS 2010 is the only scrutiny event that you will need to attend in 2010

#### Scrutiny Exchange Live!

For the first time, CfPS is bringing the online scrutiny exchange network to life at our 2010 conference. We will be asking our delegates to bring their knowledge and expertise into this forum to share and learn from each other.

Scrutiny Exchange Live provides the perfect opportunity for you to set the agenda. The Exchange will have 6 zones reflecting issues facing local communities - democracy, health and wellbeing, crime and disorder, children and young people, economy and community. Running throughout the day, delegates will be able to suggest any pressing issues they may have in relation to these themes. The most popular topics will be identified and delegates will be able to join in discussions in the relevant zones.

## FORWARD PLAN – KEY DECISIONS FOR THE PERIOD 1 JUNE 2010 – 30 SEPTEMBER 2010

REPORT OF THE CHIEF EXECUTIVE

8 JUNE 2010

### 1. Purpose of the Report

- 1.1 To provide Members with an opportunity to consider those items on the Executive's Forward Plan for the period 1 June – 30 September 2010 which relate to the Community and Safer City Scrutiny Committee.

### 2. Background

- 2.1 The Council's Forward Plan contains matters which are likely to be the subject of a key decision to be taken by the Executive. The Plan covers a four month period and is prepared and updated on a monthly basis.
- 2.2 Holding the Executive to account is one of the main functions of Scrutiny. One of the ways that this can be achieved is by considering the forthcoming decisions of the Executive (as outlined in the Forward Plan) and deciding whether Scrutiny can add value in advance of a decision being made. This does not negate Non-Executive Members ability to call-in a decision after it has been made.
- 2.3 Members requested that only those items which are under the remit of the Committee be reported to this Committee. The remit of the Committee covers the following themes:-

*Safer Sunderland Strategy; Social Inclusion; Community Safety; Anti Social Behaviour; Domestic Violence; Community Cohesion; Equalities; Licensing Policy and Regulation; Community Associations; Registrars*

- 2.4 In the event of Members having any queries that cannot be dealt with directly in the meeting, a response will be sought from the relevant Directorate.

### 3. Recommendation

- 3.1 It is recommended that the Committee considers the Executive's Forward Plan for the period 1 June – 30 September 2010.

#### **4. Background Papers**

4.1 There were no background papers used in preparation of this report.
