

NOTICES OF MOTION

Council Members are asked to consider the undermentioned Motions:-

(i) Notice of Motion – Cervical Screening

In light of emerging medical opinion, this Council asks the Government to seriously consider reducing the age of cervical screening in England from the present 25 years of age to 18 years of age

Councillor D.E. Snowdon (Proposer)
Councillor E. Timmins (Secunder)
Councillor M. Speding
Councillor H. Trueman
Councillor P. Smith
Councillor F. Anderson
Councillor K. Rolph
Councillor N. Wright

(ii) Notice of Motion – Business Tax

This Council urges the Government not to impose the proposed Local Authority – collected supplementary tax on business and believes that the imposition of further tax burdens on business will be counter-productive to the promotion of economic development.
