Shaun Lloyd Address supplied on file Trainee Secondary School Teacher	Somewhere close to the City center or a School in the Sunderland Central Parliamentary Constituency	I can give all time after 16.00 Monday to Friday	I attended school in South Tyneside going through State Secondary Education, which I believe is very helpful in seeing how pupils view a school. I have successfully completed my GCSE's, A levels and I am currently a trainee teacher training at the University of Sunderland training primarily in ICT Secondary Education.		
Mrs Bertha Kanyagu Address supplied on file Monitoring Support Officer	Ryhope Infant, Junior, Venerable Bede	I am available at anytime as I can adjust my diary to make the meetings, as this is a very important role in the community.	I was a parent governor at Ryhope Junior School for two years.	Sunderland Local Development Group and the Labour Party Group.	The main benefit of being a school governor is a sense of satisfaction through involvement in the most important volunteering role in education. Being a school governor is an important way in which I can help my local school, the opportunity to learn/develop new skills and working as part of a team with a range of people from a range of different social cultural and religious backgrounds.

<p>Brian Robson Address supplied on file</p> <p>Policy & Strategy Manager for Housing Membership Organisation</p>	<p>Barnes/Grindon surrounding areas</p>	<p>I would be happy to attend evening or weekend meetings. My employer has a flexi-system, so occasional daytime commitments would be possible, but ideally I'd be looking for a school that holds meetings on an evening.</p>	<p>I spent four years as a local councilor when living in London. Whilst I didn't serve as a governor myself, I maintained strong links with five schools in my ward. I also chaired the local Assembly, and led a group of residents and young people who set up the wards 1st Youth Club.</p>	<p>Not at present. I moved back to Sunderland earlier this year after ten years away and would like to get re-engaged in the community.</p>	<p>I am 29 and went to school in Sunderland and would like to give something back to the city I grew up in. I believe my experience serving as a councilor provides me with useful skills and experience, and people of my age are often under-represented on governing bodies and in public life.</p>
