NI 195c	Improved street and environmental cleanliness (grafitti)	4%	1%		•	3%	✓	members to engage in service delivery performance updates. Extend the implementation of hand held technology to improve connectivity between the customer services network and service delivery.
NI 1950	Improved street and environmental cleanliness (fly posting)	0%	0%		•	1%	<b>√</b>	
National I	ndicators Improved street and environmental							
NI 196	cleanliness - fly tipping	2		Annual		2	n/a	
NI 197	Improved local biodiversity- proportion local sites with positive conservation management	10%	10%	April to Dec	•	13%	×	
	e - By 2025 50% of all domestic w	aste will be	e recycleo	d and les	s than 2	25% will be	sent to la	andfill
Local Area	a Agreement Indicators							Implemented on-street recycling schemes and planned improvements to
NI 192	Percentage of household waste sent for reuse, recycling and composting	25.59%	29.10%	April to Dec	•	30%	×	"bring sites". Additional facilities provided at existing sites to accommodate a wider range of recyclable materials. Explored possibility of securing the recovery of material from the residual waste stream to assist achievement of LATS and recycling targets in 2009/2010. Order placed for vehicles to service the new recycling scheme and contract awarded for supply of the new recycling bins. Strategic Waste Management arrangements (long term waste management solution) - competitive dialogue process has progressed as planned. Initially 8 bidders. Following detailed evaluation this has now been reduced to 2 bidders - to progress to call for final tenders stage.
National I	ndicators							
NI 191	Residual household waste per household	819 kgs	578.4 kgs	April to	•	800 kgs	×	Implemented on-street recycling schemes and planned improvements to "bring sites". Additional facilities provided at existing sites to accommodate a wider range of recyclable materials. Explored possibility of securing the recovery of material from the residual waste stream to assist achievement of LATS and recycling targets in 2009/2010. Order placed for vehicles to service the new recycling scheme and contract awarded for supply of the new recycling bins. Strategic Waste Management arrangements (long term
NI 193	Percentage of municipal waste land filled	73.85%	69.76%	Dec	•	70%	~	waste management solution) - competitive dialogue process has progressed as planned. Initially 8 bidders. Following detailed evaluat this has now been reduced to 2 bidders - to progress to call for final tenders stage.
Outcom	e - By 2025 all people in the city y	vill have a v	/iable cho	oice of tra	avelling	regularly b	v public	transport, cycling or walking as an alternative to
travellin	ng by private car a Agreement Indicators					0,	· ·
