Kevin Nicholas Stoker Address supplied (on file) Occupation: Taxi Driver	Pennywell	Being self-employed any time.	I worked with disabled children as a taxi driver. I have also ran kids and adults football teams.	I was a part of Sunderland Football Class, football in the community working with children 5-15 years.	I was fostered for many years and I feel that want to give something back. I am not on any voluntary bodies at the moment but I would give 100% to being a governor.
Christine Williams Address supplied (on file) Occupation: Senior Lecturer, Teacher Educator at a University	Although I don't have a strong preference anything fairly local would be good. If you have schools which find it difficult to recruit governors would also be interested.	My working life is fairly flexible so I am able to be released for governor duties. Tuesday evenings would be difficult as I teach.	Previous governor, Senior Lecturer at a university in the education department, teacher educator, LA officer in London Borough - head of education personnel.	No	I enjoyed my previous experience as a governor and would like to contribute to the life of a school in my local area.
