5 APRIL 2011

WORK PROGRAMME 2010-11

REPORT OF THE CHIEF EXECUTIVE

Strategic Priorities: SP3 – Safer City

Corporate Priorities: CIO1: Delivering Customer Focused Services, CIO4: Improving partnership working to deliver ‘One City’.

1. Purpose of the report

- 1.1 The report attaches, for Members’ information, the current work programme for the Committee’s work during the 2010-11 Council year.
- 1.2 The work of the Committee in delivering its work programme will support the Council in achieving its Strategic Priorities of Safer City, support delivery of the related themes of the Local Area Agreement, and, through monitoring the performance of the Council’s services, help the Council achieve its Corporate Improvement Objectives CIO1 (delivering customer focussed services) and C104 (improving partnership working to deliver ‘One City’).

2. Background

- 2.1 The work programme is a working document which the Committee can develop throughout the year. The work programme allows Members and officers to maintain an overview of work planned and undertaken during the Council year.

3. Current position

- 3.1 The work programme reflects discussions that have taken place at the 8 March 2011 Scrutiny Committee meeting. It is the final work programme for the current municipal year and as such any suggestions for future items will be fed in to the work planning process for the new municipal year.

4. Conclusion

- 4.1 The work programme developed from the meeting will form a flexible mechanism for managing the work of the Committee in 2011-12.

5 Recommendation

- 5.1 That Members note the information contained in the work programme and consider the inclusion of proposals for the Committee into the work programme for 2011/12.
