**Applications made under the Town and Country Planning Acts and
Regulations made thereunder**

The Director of Development and Regeneration submitted a report and supplementary report (copies circulated) relating to the South Sunderland area, copies of which had also been forwarded to each Member of the Council, upon applications made under the Town and Country Planning Acts and the Regulations made thereunder.

(For copy reports – see original minutes).

09/01069/FUL – Change of use from shop and dwelling house to mosque and social/ educational centre (Class D1) and flat (Class C3) to include demolition of rear boundary wall and provision of 3 car parking spaces – 52 Saint Marks Road and 12 Chester Street East, Millfield, Sunderland.

Mr. Mike Mattock presented the report. He advised that given the representations outlined in the report, it was recommended that Members defer the application pending a site visit in order to further assess the parking implications with regards to the proposals.

Mr. Jonathan Rowson, Senior Solicitor, suggested that the Committee consider the recommendation in a staged approach. Each speaker would be allowed 5 minutes to make representations for and against the application and should make reference to relevant points Members may wish to consider at the site visit.

Mr. Khan spoke on behalf of the applicant and raised the following issues:-

- there would be no more than 50 Members using the facility;
- no televisions or radios would be used;
- if the property was used as a shop, that would cause more traffic than the mosque.

Mrs. Matthews and Councillor Dixon spoke against the application and raised the following issues:-

- there had been a blatant disregard to previous planning decisions;
- the numbers of cars parked outside the premises during meeting causes a major nuisance;
- the property is joined to residential dwellings and the mosque causes noise many times a day;
- adding 3 parking spaces was inadequate for the number of cars that used the premises.

Following a vote regarding the officer recommendation to defer the application pending a site visit, 9 Members voted in favour and one Member voted against, the Officer's recommendation was approved.
