

Project Brief for Call for Projects – Washington Area Committee
Activities for Children and Young People – Holiday Activities 2018
(Washington 8 – 10 year olds)

CALL FOR PROJECTS

Washington Area Committee would like to invite local Voluntary and Community Sector (VCS) groups and non-profit making organisations to submit a full application for each of the Wards of Washington Central, Washington East, Washington North, Washington South and Washington West, that will develop and deliver activities for children and young people in the holiday periods across 2018/19 (Summer, October, and Easter Holiday Periods). Applications will be considered from VCS groups who have a Management Committee, constitution and bank account with dual signatories. VCS groups must adhere to accounting requirements in accordance with the Companies Act.

This call is to deliver activities for 8 – 10 year olds in Washington (Central).

1. Introduction and Background

- There is an opportunity for local VCS groups and organisations, with relevant requirements, qualifications/training, and a track record of working with children and young people in the Washington area, across a range of age groups, to deliver a project on behalf of Washington Area Committee.
- The Committee has identified a need to provide positive activities during the Summer, October, and Easter 2018/19 breaks, within each of the 5 Wards, for children and young people in two age groups: 8 to 10 years old and 11 to 19 years old.
- It is also recognised by Washington Area Committee that extended holiday periods can provide a challenge for some parents and families with regards to ensuring children have access to a nutritious meal during those periods.

2. Project proposal

The Committee would like to offer an opportunity for appropriate groups and organisations to submit proposals which:

- Deliver a programme of activity in **Washington (Central)** which offers a range of opportunities for children **aged 8 – 10 years old** resident in the Washington area and offering activities for differing interests and abilities
- Recognises other provision in the area and ensures that this proposal will be in addition to and compliments existing or proposed provision during the holiday periods. You should demonstrate your knowledge of the relevant ward and current/already planned provision available for this age group and if relevant, demonstrate proposed provision is in addition to the applicants core offer over the school holiday periods
- **Applications should recognise the role that local grassroots organisations can bring – Area Committee requests that each application identifies two or three small groups who have experience of delivering activities for 8 – 10 year olds, and who can add value to any proposed programme and be involved in the project.**

- Deliver a range of choices for children – some examples include indoor/outdoor physical activities, games, mentally stimulating fun activities, arts and crafts, and cooking, nutrition or health related
- All sessions/provision must include a nutritious snack or meal
- Increase the number of children accessing positive activities by setting achievable targets
- Whilst the Committee is not determining how many sessions per Ward should be included in each proposal, the Committee would like to see provision of a **minimum** of six sessions delivered in each of the relevant **Washington Wards** during the summer break, two sessions during the October break, and a further two sessions during the Easter break.
- Applicants are asked to involve local Ward Councillors in identifying the relevant hotspots and gaps in provision
- Provide a creative and innovative programme of activity
- Identify locations/venues where sessions will be delivered using local facilities where possible (Washington facilities)
- Include details of how the activities will be promoted and will acknowledge Washington Area Committee Sunderland City Council support.
- Ensure all beneficiaries reside in the Washington area
- Identify and include details of match funding which could include income generation, linkages with projects/groups across the City and further external funding sources
- Provide a comprehensive breakdown of costs

3. **Context and Broader Strategies to Consider**

To ensure a joined up approach links should be established with the following:

- a. Sunderland City Council: Sport & Leisure
- b. Local VCS Organisations

4. **Budget and timescales**

Please note each proposal needs to provide value for money. The total budget for this call (**Washington Central: 8 – 10 year olds**) is **£5,000**. Please note this is the total budget available for all projects received for this Call **NOT** per project application. Where applicants work in partnership or collaborate with other providers to deliver joint programmes, those applications will be weighted accordingly as part of the assessment process. Organisations are eligible to apply for one or more Wards and should complete a separate application for each Ward.

Deadline date for return	Noon 29th June 2018
