**WASHINGTON AREA COMMITTEE**

**16th December 2021**

**REPORT OF THE CHAIR OF WASHINGTON  
NEIGHBOURHOOD AND COMMUNITY BOARD**

**Washington Area Neighbourhood Delivery Plan 2020-2023**

**1. Purpose of Report**

**1.1 This report:**

- a. Presents the Washington Neighbourhood Delivery Plan 2020-2023; and
- b. Provides an update of progress against the Area Priorities associated with the Delivery Plan.

**2. Background**

- 2.1 Following the approval of the Neighbourhood Investment Plans in March 2020 the Washington Area Committee has worked together to finalise their Delivery Plans. All priorities have been determined following significant resident consultation via Let's Talk Sunderland. The Council also undertook further consultation with residents, during June 2020, to ensure the priorities were still relevant post COVID-19.

**3. Area Committee and Neighbourhood Investment Plan Governance Arrangements**

**3.1 The Area Committees are part of the Council's Executive Function and have two key roles:**

- a. Influencing decisions on services delivered at a neighbourhood level; and
- b. Identification of key priorities for their areas, in the context of supporting the delivery of the Council's City Plan at a neighbourhood level and ensuring maximum impact where necessary, through utilising its own resources.

**3.2 The Article 10 Neighbourhood Investment Plans were approved at Cabinet in March 2020.**

**3.3 It is now the responsibility of each Area Committee to deliver their agreed priorities to support the delivery of the Neighbourhood Investment Plan. Area Committee Delivery Plans have been developed to enable this to happen.**

**3.4 The Neighbourhood and Community Board will be the working group for the Area Committee and the Board will be Chaired by the Vice-Chair of the Area Committee. All Committee members are invited to attend all Board meetings.**

**3.5 Members will work alongside key officers in what will be practical action orientated groups. It should be noted that the Board is not a decision-making body and the work and recommendations of the Board will be presented to the Area Committee for final endorsement. The Area Committee Chair and Vice-Chair were agreed at Annual Council in June 2021**

#### 4. Areas of Key Action and Progress

- 4.1 Outlined below is a summary of the key areas of action and/or progress of the Board, up to November 2021, with greater detail set out in **Annex 1**, which informs the Area Activity Tracker to allow residents to monitor Area Committee's progress throughout the year.
