Supported the Delivery of a Play Zone Project	<ul style="list-style-type: none"> • Work has progressed and the design has been informed by a community engagement exercise. Residents want to see the new facility as a safe space

with the opportunity play sports such as football, basketball and netball. Football Foundation have approved application in principle and £50,000 secured from Health City Fund as match. Construction is hoped to start before the end of 2023 – currently in the planning process.

- Planning application successful. The Football Foundation have appointed a construction company to complete the works, awaiting start date once commenced it is envisaged 10-12 weeks for completion
- December 2024 Update
- The PlayZone is to be built on the old MUGA, off Church Street
- The PlayZone will be managed by Southwick Neighbourhood Youth Project (SNYP)
- The build cost is £242,192 (net), including contingencies
- All match funding is in place including, £10,000 from North Area Committee
- Currently awaiting the signing of the JCT build contract
- Once the JCT contract is signed, a construction start date can be announced and the media release shared.
- There is a 4-6 week mobilisation period once the contract has been signed and a 12 week build programme
- SNYP to undertake training of the PlayZone online booking system
- An 'activation group' involving a range of partners will be established whilst the PlayZone is being constructed, to ensure a sport and physical activity programme is in place for when the PlayZone is ready
- A provisional construction start date has been agreed, 4 March 2025, pending the signing of the JCT build contract. This will be a 12 week build programme
- A media release has been drafted and will be released mid-February 2025
- A banner will be erected on the current MUGA fencing to let residents know the area will be refurbished
- Letters will be distributed to nearby residents notifying them of the work, prior to construction works starting
- A site welfare unit and cabin will be located on the car park overlooking the PlayZone site
- SNYP are undertaking training of the PlayZone online booking system

	<ul style="list-style-type: none"> • A PlayZone ‘activation group’ involving a range of partners is currently being established, to ensure a sport and physical activity programme is in place for when the PlayZone is open. • Works on site commenced on 10 March 2025 and it will be an approximate 12 week build programme. Members receive regular updates from the Health and Wellbeing Team • A PlayZone ‘activation group’ involving a range of partners has already met, to ensure an activity programme is in place for when the PlayZone is open. This group will continually evolve and currently includes the following partners – SNYP, Active Sunderland, Leisure United, Change the Game - Southwick, the Council’s Healthy Lifestyle Programme
