

Cabinet Meeting – 5th November 2014

ANNUAL AUDIT LETTER 2013/2014

Report of the Head of Financial Resources

1.0 Purpose of Report

- 1.1 This report details the external auditors (Mazars) Annual Audit Letter (AAL) covering the year 2013/2014. A copy is attached.

2.0 Description of Decision

- 2.1 Cabinet is recommended to:

- Note and comment on the contents of this very positive report, and
- Refer the report to Council for their consideration.

3.0 Introduction

- 3.1 The Audit Commission's Code of Audit Practice requires auditors to prepare an AAL and issue it to each audited body. The purpose of preparing and issuing an AAL is to communicate to the audited body and key external stakeholders, including members of the public, the key issues arising from the auditors' work, which auditors consider should be brought to the attention of the audited body.
- 3.2 The AAL summarises the findings of the 2013/14 audit, which comprises of two elements:
- An audit of the Council's financial statements
 - An assessment of the Council's arrangements to secure value for money in the use of its resources

4.0 Summary Position

- 4.1 The AAL is extremely positive overall, providing a strong endorsement of the financial management and governance arrangements in place across the Council.
- 4.2 The Auditor issued an unqualified audit opinion on the Council's financial statements and an unqualified Value for Money conclusion. The report confirms that the Council:
- Produced accounts for 2013/14 that gave a true and fair view of the council's financial position and that no objections to the accounts were received
 - Accurately reported its financial performance to government via the Whole of Government Accounts process
 - Had proper arrangements in place to secure value for money.

- Was financially resilient and had managed its financial position very well as both budget setting and close budget monitoring were considered robust which had culminated in an underspend of £5m despite having to successfully deliver continued significant financial savings of over £35m in respect of cuts in government funding and other cost pressures without the need for redundancies.
- It was recognised that the council had already delivered £135m of savings for the period 2011/2012 up to the end of 2013/2014 and had made significant changes to secure its future viability as a community leadership council in 2013/14, through implementing alternative models of service delivery, working with partners (most notably establishing the North East Combined Authority and entering into a local asset backed vehicle (LABV) to accelerate economic regeneration in the city) and has also made other significant transformational changes to deliver challenging savings targets whilst improving service delivery.
- Is aware of the continued and significant further grant reductions it is facing and is continuing to identify ways of improving service efficiencies and ways of working to further improve service delivery and outcomes with fewer resources.

5. Alternative Options
