

## PEOPLE

Area Priority	ACTIONS	Progress Report
<b>Health and Wellbeing</b>	1. Strategic Health Group (CCG, Public Health, SCC, VCS) to identify opportunities for partnership working and shared priorities.	Shared ownership approach to continue. Time to Care project approved at June Area Committee. Home to Hospital project monitored via normal SIB procedures. Further detail re progress presented in the Board's Project Update Report which evidenced good distribution of cards, posters and promotional material and delivery of 3 x successful lunch clubs with referrals into additional activities having been a positive way to engage. New activity is proposed via the Millennium Centre re exercise referral. Some evaluation with service users has provided feedback with regards to need. This exercise has highlighted issues around using public transport, need for gentle physical exercise to be offered, befriending services to help reduce loneliness are required, a gentle introduction to groups required as joining larger groups for these users can be intimidating, help in the home (outside the remit of Care Services) often needed, and finding information for services already available to be easily accessible. This evaluation and feedback is shaping future service delivery.
	2. Improve participation in activity through ensuring Ensure use of Community Health and Green spaces Project is utilised to deliver initiatives to address health inequalities	Ensure links and co-ordination with corporate initiatives such as development of Walking forums, new walking trails (2 per area), way marking, Active Sunderland events and activities and joint working with sport and leisure re activity programmes in place. New Walking Network and Cycling Network being established via Sports and Leisure. Works continue to be aligned with strategic developments. Underspend from developing the Washington Way aligned for future work re health and green spaces. PR and launch of updated map and leaflet to be organised for October 2016
	3. Identify gaps in Mental Health Services. Focus on self harm and suicide in young people.	Time to Care Partnership Project approved at June Area Committee. The partnership led by Washington MIND will deliver a number of initiatives to help and support young people who self harm, and their parents and carers. This will include the establishment of the Washington Mental Health Alliance to bring together relevant partners, the development of a training programme, the development of on line resources and a young person friendly mobile app, support for a parents groups, and a peer support pilot. The Time to Care Co-ordinators now recruited. First Steering Group meeting scheduled 19th October. Propose detailed progress report to next People Board in January 2017.
	4. Drugs and alcohol/substance misuse	Wider strategic issue.
<b>Adult Social Care</b>	1. Determine best practice and added value that AC funded projects have brought to the ASC Framework.	Adult Social Care and social isolation remains a priority. Home from Hospital Project agreed in March is now delivering. Good links with Live Life Well Team. Information Officer will promote at VCS Networks and wider meetings. Good range of information re Gentoo and Age UK to support service users.
<b>Community Inclusion and support for the VCS</b>	1. VCS Network to continue to be the mechanism for collaboration and partnership working with the VCS re delivering shared priorities. Area Chair to continue role as Co Chair of Network. ACO continue to provide support and co-ordination re Area Network	VCS Network meets every 6 weeks. The Network has now held a number of meetings with regards to progressing the priorities recently identified re agreed Washington Community Plan. An audit of resources is currently underway to identify what can be shared to support grassroots organisations, further opportunities to collaborate will be identified following a scoping meeting with key partners/organisations re delivering specific shared priorities and a volunteering plan for Washington will be produced. The Network will present it's Annual Report to the March 2017
	2. Co-ordinate and maximise volunteering in Washington.	Washington Community Development and Volunteer Project agreed March Area Committee. Progress reports and statistics submitted to each Board meeting. Volunteering remains a priority of the Network and is included in the work to develop the Washington Community Plan.
	3. Influence and support the delivery of youth activity in the Washington. Consider continued support for young people to take forward initiatives develop capacity and engagement and encourage partnership working and participation, and to support the delivery of area priorities - links to health and well being initiatives and environmental/physical improvements and neighbourhood enhancements.	Continued support for local young people via the Washington Youth Council, Youth Operational Group and the 'Can Do' fund for young people. People board proposes a show case of successful projects at December Area committee.
<b>Employment, enterprise and lifelong learning</b>	1. Continue to monitor Youth Opportunities Project and School Opportunities Project.	Regular updates to Board. Project already implementing Exit Strategy re alternative funding and support to continue delivering project outcomes in line with strategic targets and outcomes (Employability and Skills). This model considered as good practice.

	2. Determine support for financial inclusion projects to increase family resilience	£40,000 SIB remains aligned to Financial Inclusion. To be considered at January 2017 Board meeting
<b>Safer Washington</b>	1. Maintain key partnerships and collaborative working re LMAPs, links with Safer Sunderland Partnership priorities re reducing crime and disorder.
