### North Area Committee Delivery Plan 2020-2023

#### 1. Purpose of Report

##### 1.1 This report:-

- a. Provides an update of progress against the Area Priorities associated with the Delivery Plan, which will be the focus for the North Area Committee during 2022-2023.

#### 2. Background

- 2.1 Following the approval of the Neighbourhood Investment Plans in March 2020, the North Area Committee has worked together to finalise their Delivery Plans. All priorities have been determined following significant resident consultation via Let's Talk Sunderland.

#### 3. Area Committee and Neighbourhood Investment Plan Governance Arrangements

##### 3.1 The Area Committees are part of the Council's Executive Function and have two key roles:

- a. Influencing decisions on services delivered at a neighbourhood level; and
- b. Identification of key priorities for their areas, in the context of supporting the delivery of the Council's City Plan at a neighbourhood level and ensuring maximum impact where necessary, through utilising its own resources.

##### 3.2 The Article 10 Neighbourhood Investment Plans were approved at Cabinet in March 2020.

##### 3.3 It is now the responsibility of each Area Committee to deliver their agreed priorities to support the delivery of the Neighbourhood Investment Plan. Area Committee Delivery Plans have been developed to enable this to happen.

##### 3.4 The Neighbourhood and Community Board will be Chaired by the Vice-Chair of the Area Committee. Neighbourhood and Community Board meetings will be held in July, November, February and April and dates are included in the council diary. If required, the Board may convene a further meeting(s) should there be a business need to do so and essential to ensuring delivery of the Area Neighbourhood Investment Plan Delivery Plan. All Committee members are invited to attend all board meetings.

##### 3.5 Members will work alongside key officers in what will be practical action orientated groups. It should be noted that the Board is not a decision-making body, and the work / recommendations of the Board will be presented to the Area Committee for final endorsement.
