**SUBJECT: STATEMENT OF ASSURANCE AND ANNUAL REPORT (SOAAR)
2017/18**

**JOINT REPORT OF THE CHIEF FIRE OFFICER/CHIEF EXECUTIVE (THE CLERK TO
THE AUTHORITY) AND THE STRATEGIC FINANCE OFFICER**

1 INTRODUCTION

- 1.1 The purpose of this paper is to present the draft Statement of Assurance and Annual Report 2017/18 (Appendix A) to members for approval.

2 BACKGROUND

- 2.1 The purpose of the Statement of Assurance and Annual Report is to inform the Authority's stakeholders how Tyne and Wear Fire and Rescue Authority performed during 2017/18, how much was spent and what it was spent on. This document also meets the requirements placed on us by Government as part of the Fire and Rescue National Framework 2012, to prepare an annual Statement of Assurance.
- 2.2 The National Framework provides the overall strategic direction to Fire and Rescue Authorities in England and states, '*Fire and rescue authorities must provide annual assurance on financial, governance and operational matters and show how they have had due regard to the expectations set out in their integrated risk management plan and the requirements included in the Framework. To provide assurance, fire and rescue authorities must publish an annual statement of assurance*'.
- 2.3 The revised Fire and Rescue National Framework 2018 came into effect on the 1 June 2018, this will be fully considered, and embedded into, the 2018/19 SOAAR.
- 2.4 One of the principal aims of the Statement of Assurance is to provide an accessible way in which communities, Government, local authorities and our partners may make a valid assessment of the Authority's performance.

3 STATEMENT OF ASSURANCE

- 3.1 The guidance states that "*the Statement of Assurance will be used as a source of information on which to base the Secretary of State's biennial report under section 25 of the Fire and Rescue Services Act 2004*".

- 3.2 The contents of the document should include as a minimum;
- The statement of accounts
 - An annual governance statement
 - Details of how the Authority meets the requirements of the National Framework
 - Details of consultation on strategic plans including the IRMP
 - Assurance regarding operational competence
 - Consideration to the principles of transparency (set out in the Code of Recommended Practice for Local Authorities on Data Transparency).

- 3.3 Where relevant information is already set out in a clear, accessible and user friendly way within existing documents, it is acceptable to include extracts or links to these documents within the Statement of Assurance. This is the approach we have taken.

4 HOW TWFRA PERFORMED

- 4.1 The Authority sets targets to enable performance management, helping us to achieve our vision of 'creating the safest community'. By monitoring performance, the Authority is able to see how it is progressing towards achieving the organisation's strategic goals. The Statement of Assurance and Annual Report notes that performance is monitored quarterly by the Executive Leadership Team and the Policy and Performance Committee. The Service Delivery Performance Action Group keeps performance under constant review.
- 4.2 The Statement of Assurance and Annual Report contains a summary of our performance for 2017/18. Over 17,000 incidents were attended in 2017/18 with an average response time to dwelling fires of 5 minutes 22 seconds (excluding Targeted Response Vehicles and specialist appliances). Based on the latest Home Office figures we have the fastest response rate of any metropolitan fire services to dwelling fires, we are second fastest compared to all fire and rescue services in the country.
- 4.3 The Authority continues to face financial pressures which creates a huge challenge in continuing to tackle community risk. Notwithstanding these pressures, the committed workforce will continue to work jointly with our partners to deliver positive outcomes for the communities of Tyne and Wear.

5 RISK MANAGEMENT

- 5.1 There are no risks associated with publishing the Statement of Assurance and Annual Report. We have worked closely with internal and external audit throughout the year on our financial and governance positions.
