Influence the design, delivery and review of People based services devolved to Area Committee	1. Develop New Relationship with Schools	At its meeting of 5th November Cabinet approved the Policy Statement on the role of the Council in relation to schools and the wider education system. The Statement determines the role of the Council in improving educational outcomes and defines the key elements of the local authority's role. Additionally, next steps were agreed in order to develop the necessary relationships, systems and processes to reflect the changing education landscape, the educational priorities within the city's key strategies, the Council's Community Leadership role and its statutory duties. <b>One of those key actions is to develop arrangements whereby Elected Members are enabled to play a role in strengthening the local accountability of schools and in sharing local intelligence.</b> <del>Currently arrangements are underway to discuss this approach with members early in the new year</del>
	3. Review of Museum Services	Museum Services Review will shape Museums and Heritage in a way that Sunderland residents want and the service is looking to adopt a community engagement model. Developing a vision that will determine the delivery plan of priorities for the next 3-5 years is underway. A report in December will be approved by the portfolio holder before it goes to delegated decision in March. There is a proposal for attending the People Boards in February to provide members with an oversight of what the situation is now, the vision and the outline delivery plan. Members will have the opportunity to contribute to how the service will be tailored to meet the needs of the community. Following that, the SCC team will engage with local individuals and groups, such as the VCSN, to discuss the new proposals.
