

WINTER PLANNING

REPORT OF ALL TOGETHER BETTER SUNDERLAND

1. PURPOSE OF THE REPORT

- 1.1 To provide the Health and Wellbeing Scrutiny Committee with an update on the system winter planning for Sunderland.

2. BACKGROUND

- 2.1 The Managing Director for All Together Better Sunderland will provide the update to the Health and Wellbeing Scrutiny Committee on the current system winter planning for Sunderland including in relation to Covid-19 and how winter planning and resilience has been developed as a result of the current situation.

3. CURRENT POSITION

- 3.1 The presentation attached at appendix 1 of this report provides an overview of the winter planning for Sunderland and covers a number of key areas including:
- Learning from Covid-19
 - System Winter Schemes
 - Surge Protocol and Processes
 - The Role of the Surge Group.
- 3.2 The winter planning presentation provides an opportunity for the Health and Wellbeing Scrutiny Committee to recognise and seek assurances on the preparations and schemes that are being put in place for the winter period in Sunderland.

4 RECOMMENDATION

- 4.1 The Health and Wellbeing Scrutiny Committee is recommended to receive and comment on the systems for winter planning.
