

NOTE FOR INFORMATION – CORRECTION TO AGENDA REPORT

Further to the publication of the agenda report for the Planning and Highways (West) Committee meeting to be held on 26th July 2021, it has become apparent that page 5 of the agenda report, which provides Members with information on the status of the Council's Development Plan, does not make reference to the Core Strategy and Development Plan. Members should note that the Core Strategy and Development Plan has been adopted by the Council and the policies within it serve to replace the majority of the policies within the Unitary Development Plan.

The correct wording of the information to page 5 is provided below and this should be taken into account by Members in considering items on the Committee agenda.

Correct wording

DEVELOPMENT PLAN

Section 38(6) of the Planning and Compulsory Purchase Act 2004 requires that “where in making any determination under the planning Acts, regard is to be had to the development plan, the determination shall be made in accordance with the plan unless material consideration indicates otherwise.

Development Plan - current status

The Core Strategy and Development Plan was adopted on the 30 January 2020, whilst the saved policies from the Unitary Development Plan were adopted on 7 September 1998. In the report on each application specific reference will be made to policies and proposals that are particularly relevant to the application site and proposal. The CSDP and UDP also include several city wide and strategic policies and objectives, which when appropriate will be identified.

STANDARD CONDITIONS

Sections 91 and 92 of the Town and Country Planning Act 1990, as amended by Section 51 of the Planning and Compulsory Purchase Act 2004 require that any planning application which is granted either full or outline planning permission shall include a condition, which limits its duration.
