

ANNUAL WORK PROGRAMME 2022/23

REPORT OF THE SCRUTINY AND MEMBERS' SUPPORT COORDINATOR

1. Purpose of the Report

- 1.1 The purpose of the report is to consider and agree a work programme for the Committee for the municipal year 2022/23.

2. Background

- 2.1 The work programme is designed to set out the key issues to be addressed by the Committee during the year and provide it with a timetable of work. The Committee itself is responsible for setting its own work programme, subject to the coordinating role of the Scrutiny Coordinating Committee.
- 2.2 To be most effective, the work programme should provide a basis and framework for the work of the Committee, while retaining sufficient flexibility to respond to any important issues that emerge during the course of the year. The work programme is therefore intended to be a working document that the Committee can develop and refer to throughout the year.
- 2.3 In order to ensure that the Committee is able to undertake all of its business and respond to emerging issues, there will be scope for additional meetings or visits not detailed in the work programme.
- 2.4 The remit of the Economic Prosperity Scrutiny Committee covers the following:-
- Any matter relating to the economic prosperity of the city and the performance of services to support that including physical infrastructure, sector growth and skills, economic vibrancy, safer Sunderland, licensing and trading standards, strategic transport, environmental services, libraries, heritage and tourism.*
- 2.5 The work programme should reflect the remit of the Committee and the need to balance its responsibility for undertaking scrutiny, performance management and policy review.
- 2.6 The work programme should also reflect and be aligned to the key priorities of the Council as set out in documents such as the Sunderland Strategy and Corporate Plan, reflect issues highlighted following external assessments and issues raised during the Committee development sessions.
