

# Together for Children Meaningful Measures

## February 2023

together for  
children  
SUNDERLAND

# MM1 - I feel safer and supported.

## How many children need help and protection?

- Rate of children subject to an early help episode
- Rate of child in need
- Rate of children subject to Child Protection Plan

## Do we intervene early enough?

- % Family Group Conferences escalated to Child Protection or Cared for
- Number of children open to Early Help stepped up to Social Care
- Number of children open to Social Care stepped down to Early Help
- Rate of referrals
- Rate of child in need assessments completed
- % Child in need assessments completed in timescale SM
- Rate of Section 47s
- % Section 47s progressed to Initial Child Protection Conference

## How often are worries raised about children that we have already tried to help?

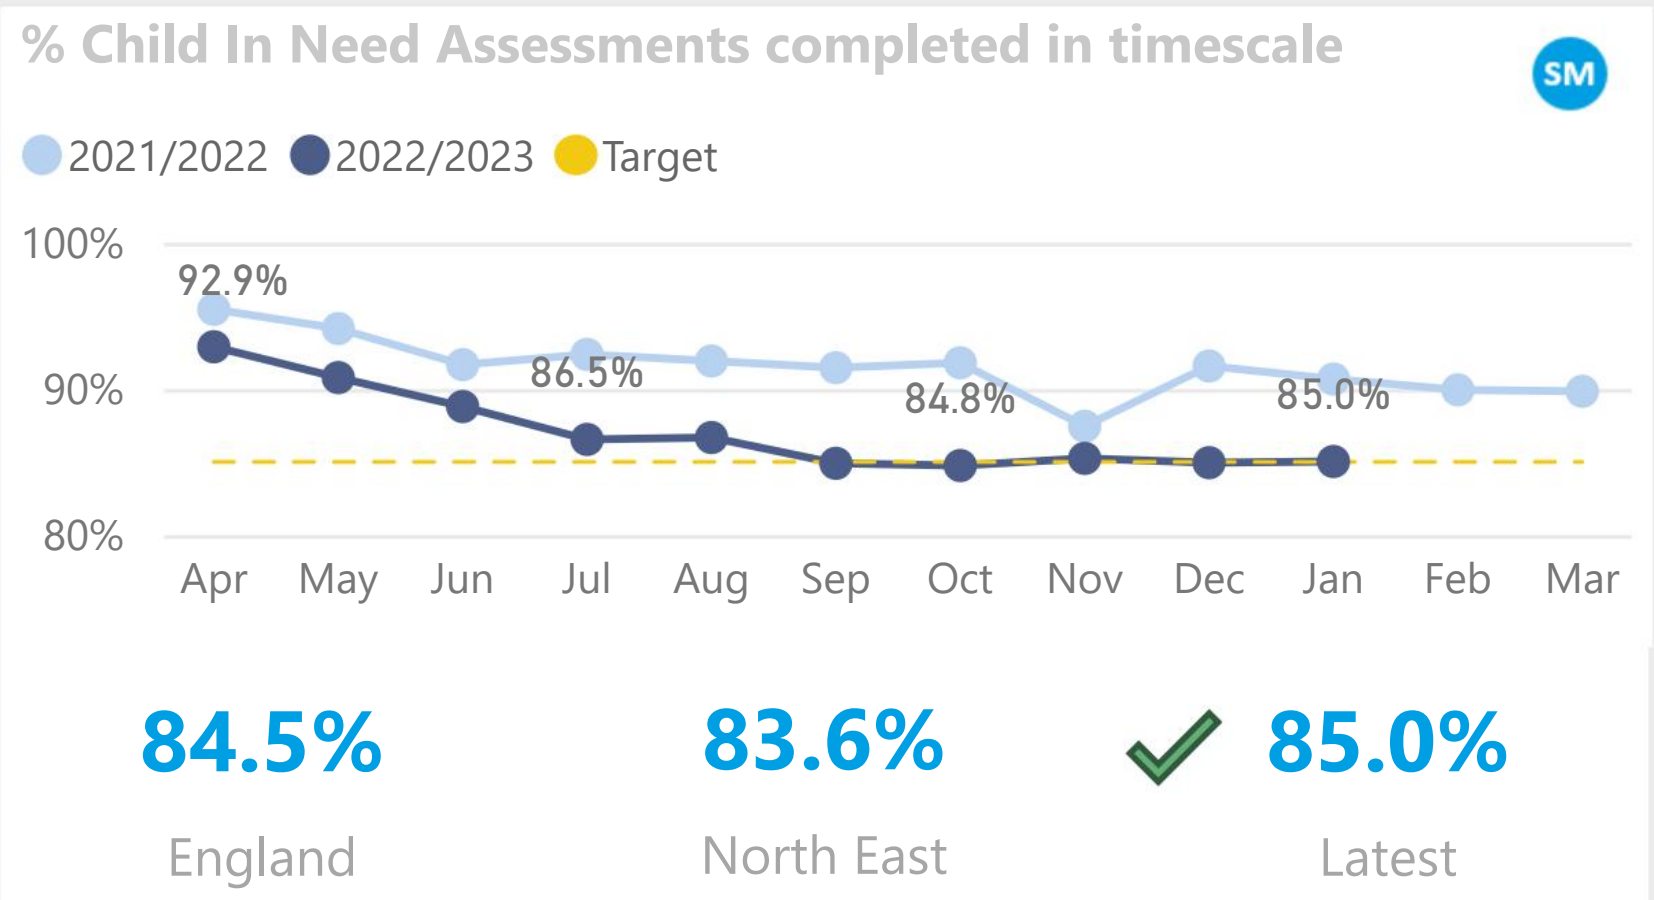

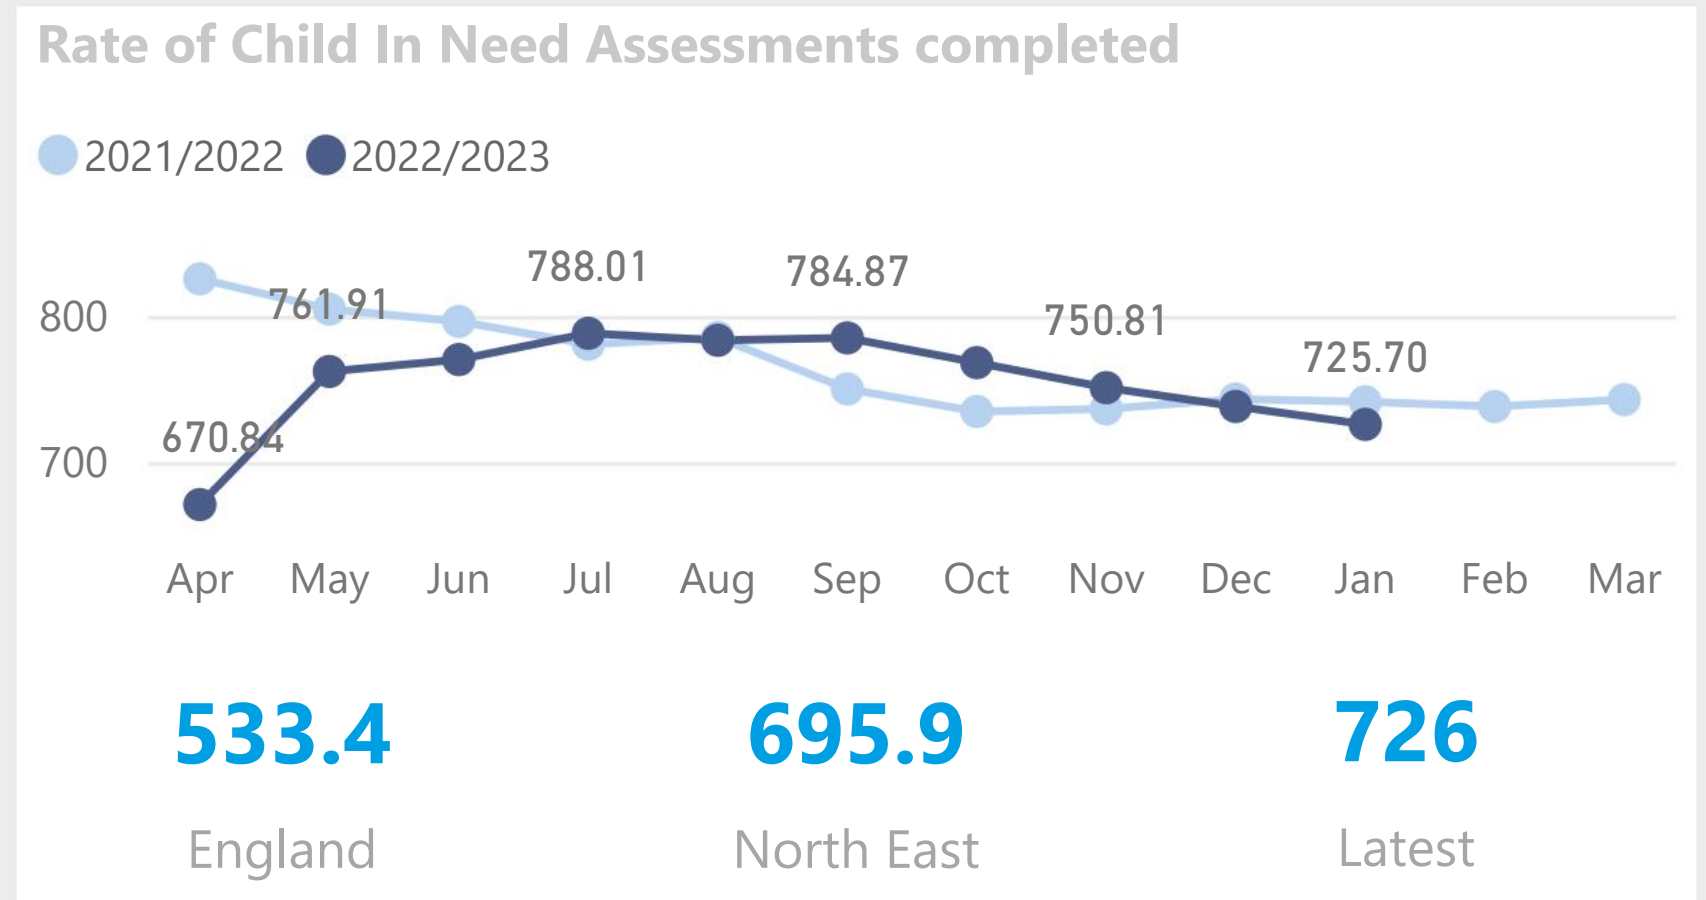

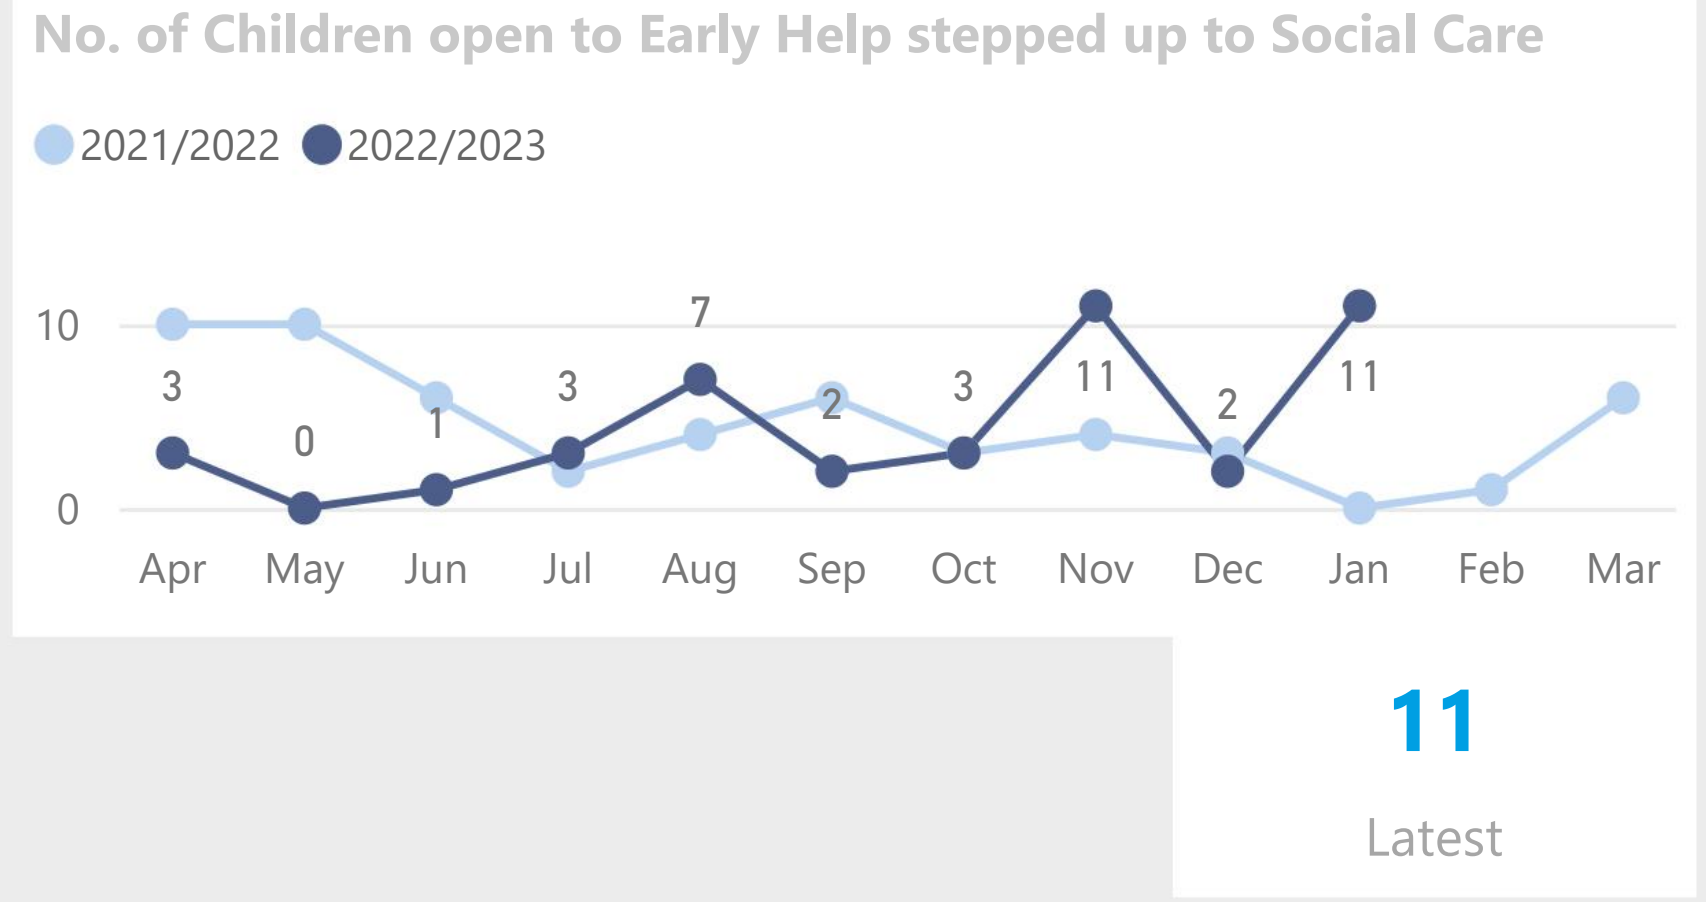

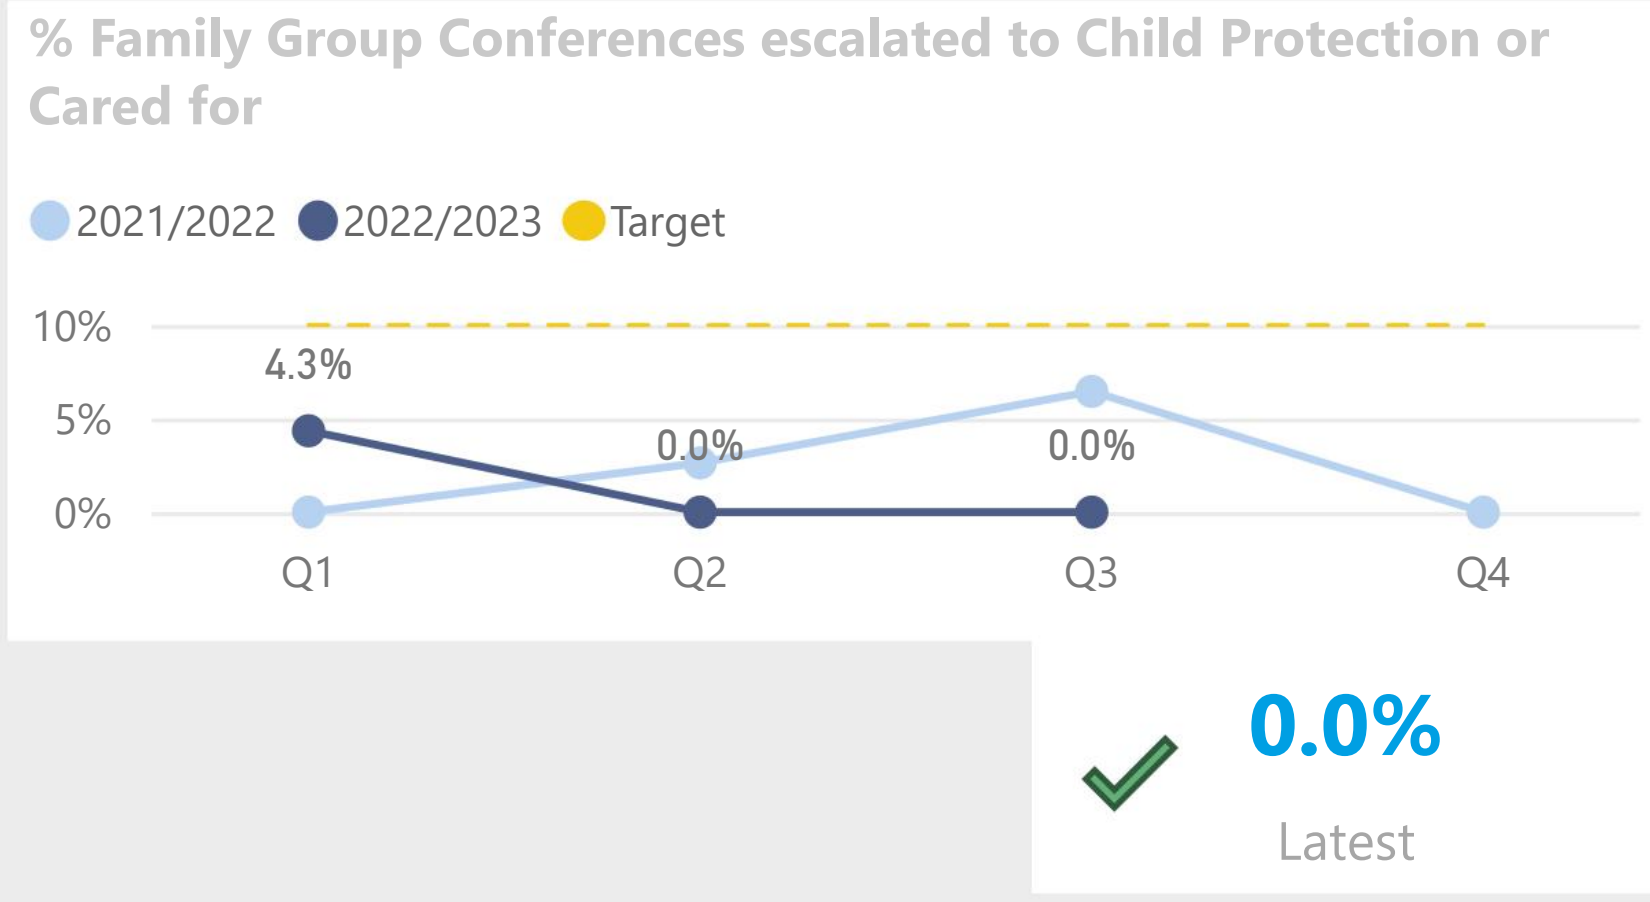

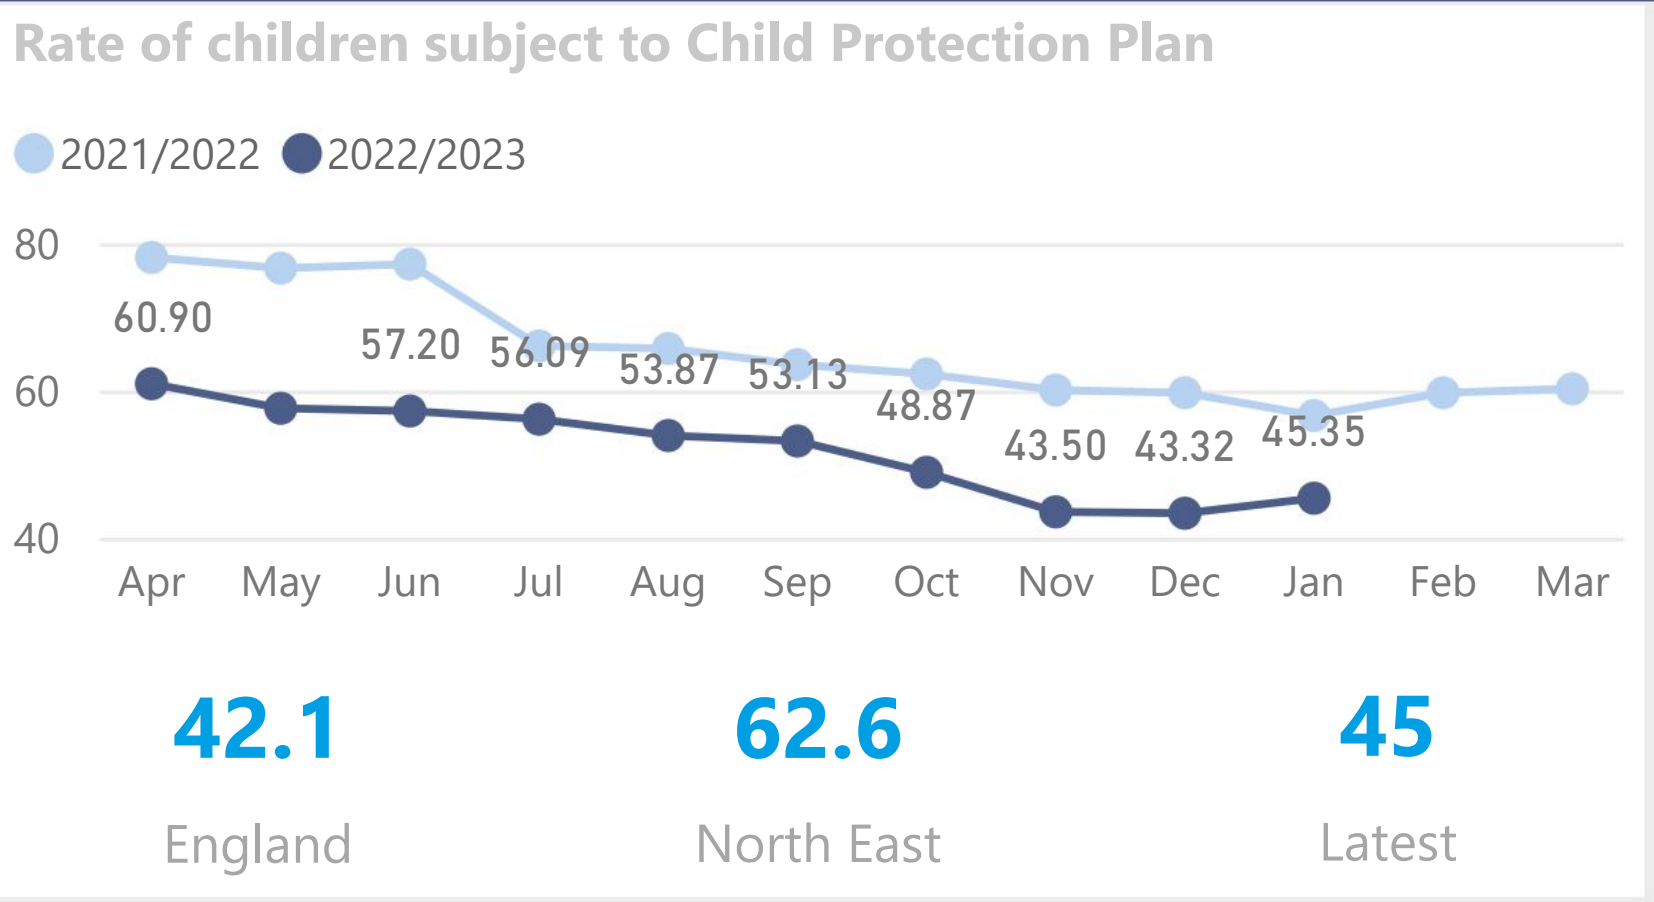

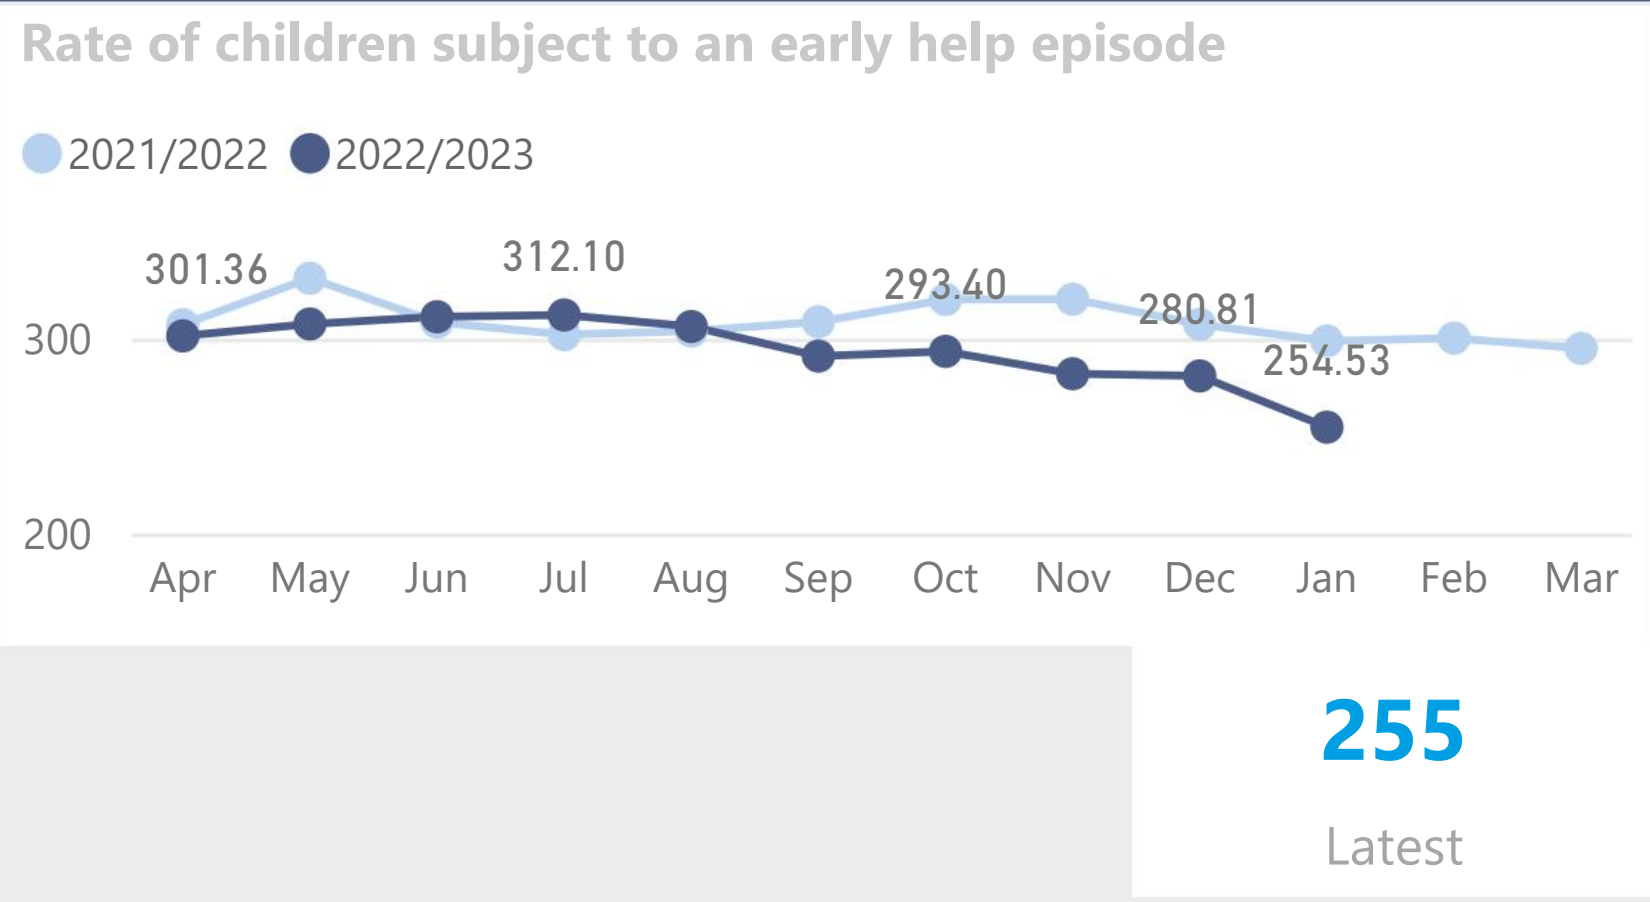

- % Children subject to repeat Child Protection Plans within 2 years SM
- % Re-referrals within 12 months ★

SM Supporting Measure

# MM3 - I take the lead in my plans and TfC makes sure workers can support me, and my family.

## How many workers do we have to help our children and families?

- % Established posts filled with permanent employees
- % Vacancy rate
- % Annual turnover

## Are we hearing from children about their plans?

- % Cared for Children who participated in their statutory review (aged 4 yrs +) SM
- % Family Group Conferences where child's voice was heard
- Number of Mind of my Own Statements sent to TfC

## Do children know their workers?

- Number of social worker changes
- % Cared for Children with a change in IRO

## Are plans timely and successful?

- % New EHCPs issued within 20 weeks, excluding exception ★
- % Family Group Conferences stepped down to the universal services and/or required no further support
- % Early Help cases closed with successful outcomes - TfC only SM
- % Child Protection plans closed within 2 years
- % Children who are subject to a Child Protection Plan for longer than 2 years SM
- % Special Guardianship Orders granted from care
- % Young people engaged in Wear Kids Prevention Team who successfully completed an intervention plan SM
- % EHCP Needs Assessments and Annual Reviews where the children's views form has been completed

# MM5 - I have opportunities to learn and achieve my goals and I feel positive about my future

## How many children and young people are in school?

- Overall absence rate
- Number of children electively home educated
- Number of children missing education
- Permanent exclusion rate
- Persistent absence rate
- Suspension rate

## How are children learning?

- % Cared for Children (aged 4 -17) with an up-to-date Personal Education Plan SM
- % EYFSP children achieving a Good Level of Development (All, CfC & SEND)
- % KS2 children achieving the expected level in reading, writing and maths (All, CfC & SEND) SM
- % KS4 children achieving grade 4-9 in English and Maths (All, CfC & SEND) SM P

## What are the barriers to young people achieving their goals or feeling positive about their future?

- % Young people who are NEET or whose activity is not known (age 16 - 17) ★
- % Care experienced young people who are in Employment, Education or Training (19-21-year-old) SM
- % Care experienced young people who are in Employment, Education or Training (17-18-year-old)
- Rate of first-time entrants to the Criminal Justice System (per 100,000 population) SM
- % Offending by Cared for Children
- % Young people who worked with YDAP who had a successful outcome SM
- % Young people engaged in Wear Kids Prevention Team who remained out of the youth justice system
