1. Purpose and scope

Purpose

In this section outline briefly:

- what the policy, decision or activity is and what the intended outcomes/benefits are (linked to the Corporate Outcomes Framework)
- over what period of time the outcomes will be achieved
- why it needs to be implemented or revised
- what populations are affected by the proposal
- who is expected to benefit and how, i.e. young people, older people, carers, BME groups, ward areas/communities, etc
- whether there are any overlaps with regional, sub-regional, national priorities.

The Local Government Finance Act (LGFA) 2012 transferred responsibility for Local Council Tax Support Schemes (LCTSS) from central to local government from 1st April 2013. The LGFA 2012 also legislated that pensioners must receive protection, in that they must receive the same levels of entitlement under the new local Council Tax Support scheme as they had received under the old Council Tax Benefit scheme.

The Council adopted a scheme which was based on the government's default scheme incorporating protection for pensioners. The scheme requires that all working age households contribute towards their council tax bill.

Since April 2013, the scheme has been reviewed and moderately updated to reflect legislative changes and policy decisions. In April 2018 some further technical and administrative changes were implemented in order to align the scheme to Housing Benefit rules and to make the LCTSS more efficient to administer and easier for the customer to understand. The Sunderland scheme(s) for 2019/2020 onwards continued with a reduction in Council Tax Support by 8.5% for all working age claimants (e.g working age on lowest income paid £1.49 per week (single people), and £1.99 per week (couples/families), albeit in 2020/2021 and 2021/2022, Council Tax Support recipients also received up to an additional £150.00 per financial year as part of a COVID-19 Hardship Fund payment.

The council must approve its Local Council Tax Support Scheme by 11 March 2023. In line with reviewing the scheme, it is proposed that the existing scheme **continues to apply** for the year commencing 1st April 2023. Subject to approval by 11th March 2023, the scheme will come into force on 1st April 2023.

The scheme will be reviewed each year and any impacts or unintended consequences will be assessed and reviewed when considering the scheme for 2024/2025.

None of the protected groups are restricted from claiming council tax support. Their eligibility is determined by their financial and personal circumstances. The current caseload is 30,893 of which 12,110 are pensioners and 18,783 are working age claimants.
