COALFIELD AREA COMMITTEE **12 March 2009**

3G Rapid Deployment Cameras

Report of the Director of Development and Regeneration

1.0 Purpose of the Report

1.1 This report provides an update on the recently acquired 3G CCTV cameras and the protocol for deployment

2.0 Description of Decision (Recommendation)

2.1 The Committee is requested to note the contents of the deployment protocol

3.0 Background

3.1 Each Regeneration Framework area has been allocated up to four rapid deployment cameras made available through the Strategic Investment Plan.

4.0 Current Position

4.1 The cameras are currently being commissioned and tested in readiness for early deployment.

4.2 Area Committee Chairs have agreed to the deployment protocol.

4.3 LMAPS groups are currently making proposals on locations for deployment which will then be reported to Area Committees for approval, all in accordance with the protocol.

5.0 List of Appendices
