***ALL PROJECT DETAIL TAKEN VERBATIM FROM APPLICATION*****Project Description:**

Sunderland and District Classic Vehicle Society are planning a post Covid Event, however mindful that there is still a risk. We aim to bring a selection of Heritage Groups including Classic Cars and local heritage groups such as Bowes Railway, Hylton Castle, Fulwell Mill and others from across the City

The Event will be held on the weekend of the 24<sup>th</sup> and 25<sup>th</sup> of July 2021 at Seaburn Recreation Park

We will invite groups such as the Scouts and Guides to showcase what they offer to young people and we have contacted the heritage Team at the Civic to offer a free space to all groups on the heritage forum.

Our aim is to showcase what diverse offers we have in Sunderland and help groups re launch them in a post covid world (we hope)

The event is designed to help both the public and groups to meet up in a safe open space, to build a sense of wellbeing within the community of Sunderland and to build confidence.

We will offer local traders the chance to take part keeping the Sunderland pound here in Sunderland

The event can be judged by the number of public that attends as well as those groups who attend and we are able to count how many visitors we attract and will be happy to provide feedback after the event.

Entrance fees are £2 per adult with accompanied children free

#### **Project Description:**

The Raising Aspiration Project leads covering the five wards of Sunderland North have successfully delivered school holiday activities for a number of years and this application extends the existing provision of School Holiday activities up to May 2022. Covering the following holiday periods:

19<sup>th</sup> July 2021 – 3<sup>rd</sup> September 2021 (not 30<sup>th</sup> Aug)  
25<sup>th</sup> October 2021 – 29<sup>th</sup> October 2021  
20<sup>th</sup> December 2021 – 3<sup>rd</sup> January 2021 (not 27<sup>th</sup>/28<sup>th</sup> Dec & 3<sup>rd</sup> Jan)  
21<sup>st</sup> February 2022 – 25<sup>th</sup> February 2022  
11<sup>th</sup> April 2022 – 22<sup>nd</sup> April 2022 (not 15<sup>th</sup> & 18<sup>th</sup> Apr)  
30<sup>th</sup> May 2022 – 3<sup>rd</sup> June 2022

The project will be delivered by:

- Southwick Neighbourhood Youth Project – Southwick Ward
- Sunderland North Community Business Centre – Castle and Redhill Ward
- Sunderland Community Action Group – St. Peters Ward
- Friends of Fulwell – Fulwell Ward
- NE Sport – Beach Camp – All wards

The project will also ensure that the programme of activities are shared via social media channels, the wider VCS Network and within established links with local schools

#### **Beach Camp for all Wards - £10,000**

This proposal is being developed in partnership with Monkwearmouth Academy, Friends of Fulwell and North East Sport as the lead partner. We would add existing value to the summer school based at Monkwearmouth Academy and our brilliant team of young people would help deliver activities

We have planned that this year's beach camps are based at Monkwearmouth Academy and either access the beach by using the Mini bus or walking. By being based at Monkwearmouth

Academy we can ensure that we can make our activities more secure by using and utilising the much bigger space to work in. It would also offer young people the opportunity to volunteer and get involved in youth Social action.

It would give many benefits including:

- Access to Toilets
- Somewhere warm with plenty of room for changing and storage.
- It would give us the opportunity to offer an early Breakfast Club (Holiday Hunger)
- Back up if the weather is bad
- Somewhere to store the equipment.
- Access to electricity
- Better access for pick up and drop off, meaning better safeguarding
- Access to open space
- We could explore different areas of the seafront as well as the riverside and parks.

Week 1,2,3,4,5,6 (Six Weeks)	Activity on offer
<p><b>BEACH CAMP (5 days)</b> Monday – Friday. 9:30-2:30 pm <b>Free spaces for North Sunderland postcodes</b> activities for ages 6 to 12 years led by volunteers aged 13-18 years, supported by Beach Level 3 Practitioners and Sessional Coaches</p> <p>Sessions limited to 30 young people per day</p> <p>Start Monday 19th July</p> <p>Finish Friday 27th August</p>	<p>Upon arrival a free Breakfast club, toast, cereal, fruit juice and activities provided, fun games would be offered to every child. We would then run daily activities all around a beach theme:</p> <p>Activities would include:</p> <ul style="list-style-type: none"> <li>• Rock pooling,</li> <li>• Sandcastle building.</li> <li>• Pond fishing</li> <li>• Plodging</li> <li>• Sports &amp; games</li> <li>• Arts and crafts</li> <li>• Treasure hunts</li> <li>• Plodging</li> </ul>

Ward Budget **£6,000** per ward

#### **FULWELL WARD:**

Sessions are aimed for young people ages 6-12 years. Sessions will take place at the new community hub.</p>

October half term	Activity on offer
A trip away	After a very busy summer of activities we aim to take the youth group away for an overnight stay and some fun & adventure. This will be planned by the young people and for ages 13-18 years

Halloween Parties	Activity on offer
Happy Halloween October	Working with our team of young people we will provide two Halloween parties, such was the success of the last party held we would aim to provide two parties. Ages 4-12 years

Christmas Parties	Activity on offer
Happy Christmas December	Two Christmas Parties for young people. Vitally important if ever there was a time to celebrate
February Half term	Activity on offer
Mondays Feb 21st-Fri 25th 9:30-2:30	A fun packed week activities will include, cookery, art, gardening, walks, fun and games and many more A Free Breakfast Club Included. Sessions aimed for children ages 4-12 years

Volunteer Resources	Clothing   Identity
	Our group is run and driven by young people. They organise everything from parking, booking management, advertising and shop keeping. We would like to spend the remainder of their money on resources to help these brilliant young people. ie a t shirt to wear, a raincoat, they want to feel part of a team.

### CASTLE WARD:

SNCBC propose that the programme for the Castle ward will take place twice weekly for play in all school holiday from summer 2021 to May half term 2022 and will cover ages 5-11 years and provide 15 places for children. Sessions will be developed to meet demand of bookings and will consist of play work. Sessions will have a duration of 2 hours face to face time with children, and 2.5 hours for staff, and will also include a trip in the summer holidays which will be a 5 hour face to face session. All sessions will have 15 minutes either side of the session for preparation and setting up and evaluation.

All activities offered aim to reduce inactivity, hunger and lower the number of children who are experiencing feelings of isolation post covid-19 and during holiday periods. Children will be provided with a safe, welcoming and supervised place to meet, which we propose will be at The Castle, Hylton Castle and its neighbouring grounds and Dene, including the pond and play area.

Activities will be planned in advance, providing opportunities for socialising with peers and play/youth workers, offering the children and young people the chance to engage in positive experiences that help develop life skills. Sessions will be designed following full consultation with children in our existing play sessions and using lessons learnt from our previous delivery in summer 2020. We propose Summer 2021 activities will include, in week one and two will include environmental projects (pond dipping, outdoor scavenger hunts, designing and planting a bee friendly garden, nature walks, butterfly hunt, bug hotels and bird feeders) as well as having access to equipment for free play with such as multi-sports, cookery, arts and crafts and general games activities. The themes for week 3 to 6 will be planned with the young people but may include 'digital heritage' activities, learning camping techniques etc. We have tried to ensure our sessions are timed and themed to compliment current delivery in the area, although we recognise more research is required as most providers reported not having plans for Summer 2021 confirmed as yet. We will liaise with other play and youth providers in the ward and neighbouring Redhill ward to minimise duplication of delivery ensuring that the best offer is available for children and young people. Activities for October, Christmas, February and Easter will be informed by young people but we envisage will follow the same themes.

Sessions will be targeted at children and young people from the following schools: Bexhill, Castletown, Hylton Castle, St John Bosco and Town End Farm Primary Schools and Castlevue Academy. SNCBC will work with schools to identify and target provision at those children who are in receipt of free school meals/pupil premium and they will be offered priority places.

To attract new people to engage in the programme who haven't previously attended play or youth activities, SNCBC will share information through the Castle Raising Aspirations and SNCBC Youth and Play social media pages, schools, police, uniform groups, community venues prior to the holidays commencing to distribute a programme of activities. Our SNCBC Youth and Play and RA Castle Face Book pages will be updated weekly, and images will be shared of the activities taking place, where consent is given. We will also utilise our existing contracts delivering youth work and community clean-ups in the area to share information and will use local community notice boards and work with local retailers to promote sessions in shop fronts.

### Play Work

Play sessions will allow children to have access to a range of 'free play' activities in accordance with the play work principles of supporting and facilitating a safe play space for children aged 5-11 years.

Children will be provided with a range of play resources and equipment including arts and crafts, board games, electronic games, cooking, outdoor area and they will be supported to control the content and intent of their play by following their own interests, ideas and instincts thus shaping the sessions to meet their individual needs. All sessions will recognise positive development of a child's increased skills and abilities and aim to improve their social interactions with their peers, build confidence and self-esteem and improve physical health and well-being.

To address holiday hunger all sessions will include refreshments for the children.

To promote positive experiences, SNCBC aim to provide all children accessing the project with an outdoor experiential learning activity, such as snowtubing at Silksworth Ski Centre, archery and crate stacking at Moorhouse, or a day trip to Beamish open air museum, as examples. The activity will be agreed by the children and will be delivered in week 6 of the summer holidays.

### **REDHILL WARD:**

SNCBC propose that the programme for the Redhill ward will take place twice weekly for play in all school holiday from summer 2021 to May half term 2022 and will cover ages 5-11 years and provide 15 places for children. Sessions will be developed to meet demand of bookings and will

consist of play work. Sessions will have a duration of 2 hours face to face time with children, and 2.5 hours for staff, and will also include a trip in the summer holidays which will be a 5 hour face to face session. All sessions will have 15 minutes either side of the session for preparation and setting up and evaluation.

All activities offered aim to reduce inactivity, hunger and lower the number of children who are experiencing feelings of isolation post covid-19 and during holiday periods. Children will be provided with a safe, welcoming and supervised place to meet, which we propose will be at The Downhill Centre, St Cuthberts Playing Field (summer sessions only) and Downhill pond.

Activities will be planned in advance, providing opportunities for socialising with peers and play/youth workers, offering the children and young people the chance to engage in positive experiences that help develop life skills. Sessions will be designed following full consultation with children in our existing play sessions and using lessons learnt from our previous delivery in summer 2020. We propose Summer 2021 activities will include, in week one and two will include environmental projects (pond dipping, outdoor scavenger hunts, designing and planting a bee friendly garden, nature walks, butterfly hunt, bug hotels and bird feeders) as well as having access to equipment for free play with such as multi-sports, cookery, arts and crafts and general games activities. The themes for week 3 to 6 will be planned with the young people but may include 'digital heritage' activities, learning camping techniques etc. We have tried to ensure our sessions are timed and themed to compliment current delivery in the area, although we recognise more research is required as most providers reported not having plans for Summer 2021 confirmed as yet. We will liaise with other play and youth providers in the ward and neighbouring Castle and Southwick wards to minimise duplication of delivery ensuring that the best offer is available for children and young people. Activities for October, Christmas, February and Easter will be informed by young people but we envisage will follow the same themes.

Sessions will be targeted at children and young people from the following schools: Willowfield, Northern Saints and St John Bosco Primary Schools and Redhill Academy. SNCBC will work with schools to identify and target provision at those children and young people who are in receipt of free school meals/pupil premium and they will be offered priority places.

To attract new people to engage in the programme who haven't previously attended play or youth activities, SNCBC will share information through the Redhill Raising Aspirations project and SNCBC Youth and Play social media pages, schools, police, uniform groups, community venues prior to the holidays commencing to distribute a programme of activities. Our SNCBC Youth and Play and RA Castle Face Book pages will be updated weekly, and images will be shared of the activities taking place, where consent is given. We will also utilise our existing contracts delivering youth work and community clean-ups in the area to share information and will use local community notice boards and work with local retailers to promote sessions in shop fronts.

## **SOUTHWICK WARD:**

Our holiday activities will provide young people from Southwick with the opportunity to explore a wide range of activities in their holiday time.

We will start our programmes at 1pm, this timing works well with young people and our experience shows that they are more likely to attend afternoon/evening programmes during the week.

Each day we will use our building, local green spaces (beach during the summer) and other organisations to ensure that physical activity is part of our offer. This is essential to the well being of the young people and giving them an array of activities means they will have the opportunity to try new and fun activities designed to benefit their health.

We will also provide an opportunity each day for the young people to cook and enjoy a meal together. They will plan the menu, alongside learning about nutrition and the benefits of a balanced diet. Their cooking activities will be documented so they can look back and recreate their recipes. This will also combat holiday hunger

A variety of different sessions will also be encompassed to provide diversity, these will include crafts, music, games, cultural activities, underpinned by the youth work curriculum with young people's voices at the centre.

The young people will be encouraged to record their thoughts each day - a last 30 minutes each daytime session for SNYP Summer News – they can draw, use photographs, write about the day's activities, we will use a display inside of SNYP to showcase the positive youth activities they involve themselves in.

A weekly trip – which will focus on health and well being will be provided too. During the warmer holiday period we will take the young people outdoors for water sports, outdoor activity centres

Our evening provision gives young people a safe space to meet in – following a traditional open access youth work approach where issues can be addressed and young people supported.
