10th April 2014

REPORT OF THE CHAIR OF THE PEOPLE BOARD People Board Progress Report

1 Purpose of Report

1.1 To provide an update of progress against the current year's (2013/14) People Board Work Plan.

2. Background

2.1 Earlier this year the priorities associated with People were referred to the Washington People Board to action on behalf of the Area Committee. The People Board has started to initiate action on those priorities and **Annex 1** outlines progress to date.

3. Key Areas of Influence/Achievements up to 31 March 2014

3.1 Outlined below is a summary of the key areas of influence / achievements of the Washington People Board up to 31 March 2014

Action Taken	Outcome	
Influence: Family and Community Learning		
	 The People Board were presented with information on Family and Adult Community Learning, including the current timetable for delivery in the Washington and how Family and Adult Community Learning is procured. Members considered current provision and how this meets local need, who currently operates as a training provider in the area, who may be able to expand provision, how awareness and take up of the provision can be maximised and how FACL can be supported to increase engagement with schools. FACL to contribute and support delivery of Area Committee priorities and link with local VCS organisations to ensure a joined up approach An overview be presented to the VCS Network. Opportunities to be a training provider or host venue be presented to the VCS. The VCS to consider where any existing groups/provision may fit and be eligible for support through FACL in the future. The VCS to be given the opportunity to identify gaps in provision for the needs of the area. The VCS to promote and market current FACL opportunities to residents and users to encourage take up 	
Influence: Early Intervention Locality Services Children and Young Peoples Plan		
	 It is proposed People Boards consider the refreshed CYPP as part of the priority setting process for 14/15 to establish links between Areas and the Children's Trust. Officers to attend all April People Boards to establish links between the Boards and Children's Trust. This will also encourage an organic approach to determining priorities around children and young people predominantly through influencing activity. 	
Influence: Transformation of Adult Social Care		
	 Community Directory is now being tested for use and is available through the Sunderland City Council website in order to promote the services delivered by statutory organisations, the voluntary and community sector and private businesses which address social isolation. Dementia Awareness Module: March People Board were 	

review of Service The People Board received further information on the Integrated Wellness review and the model that had been developed in response to earlier discussions within the People Board and the Stakeholder event in November last year. The model is based upon the principles of the Health and Wellbeing Strategy to enable and empower individuals and communities to make positive changes to their own health. The new model presented takes account of the health needs of the whole population whilst being tallored to individual need. Members identified the need to align the model attached at Annex 2 with proposals for shared priorities and joined up working with CCG, Public Health and the VCS Sexual Health Review of Services The People Board received further information on the Integrated Wellness review and the model attached at Annex 2 with proposals for shared priorities and joined up working with CCG, Public Health and the VCS Sexual Health Review of Services The People Board received information on the Sexual Health review to help inform the future commissioning intentions from a local perspective.
