### 2. PROCESS

- 2.2. GONE officers from the Regional Resilience Team (RRT) are responsible for the compilation and initial distribution of the calendar.
- 2.3. The North East Regional Exercise Calendar provides a guide to all exercises scheduled in the:
  - Northumbria Local Resilience Forum (LRF) Training and Exercise Calendar
  - Durham and Darlington LRF Exercise Calendar
  - Cleveland Exercise Calendar
- 2.4. The Regional Exercise Calendar also includes:
  - Region wide exercises
  - National exercises conducted in the North East area
- 2.5. On completion the RRT forward the calendar to the three LRF secretariats for distribution to their Category 1 and Category 2 partners. Partners may then further distribute the calendar within their individual organisations.
- 2.6. The Regional Calendar is designed to provide an overview of the coming year to help LRF and regional exercise planning groups ensure no conflict of interest or overstretching of resources regarding organisational participation at any one event.
