

Coalfield Neighbourhood Delivery Plan 2020 / 2023

The Plan is a working document, which will include addition information from other public sector partners and VCS Area Network, where relevant.

The Plan commits the Area Committee to a significant number of priorities, which will be delivered within the Coalfield area of Sunderland, to address the key issues raised by residents. The Plan will be monitored by the Area Committee and actions will be addressed throughout the next three years via the Coalfield Neighbourhood and Community.

Residents will be able to monitor delivery of the plan via the online activity tracker which will be available to access at www.sunderland.gov.uk as well as through quarterly Area Committee update reports. The Coalfield Area Priorities for 2020 – 2023 are:

- | | |
|------------------------------------------------|---------------------------------------------------------------|
| 1. Tackle empty properties | 10. Vacant Properties as Cultural Hubs and Leisure Activities |
| 2. Derelict land and property | 11. Job Opportunities and Job Clubs |
| 3. Enforcement | 12. Social Prescribing – Reduce Social Isolation |
| 4. Bloom Activity | 13. Local Greenspace |
| 5. Transport and Parking | 14. Support voluntary and community sector |
| 6. Highways, pavements and street lighting | 15. Youth Clubs |
| 7. Parks, play areas, cycle and walking routes | 16. Reduce fear of crime |
| 8. Digital Learning | 17. Preserve and celebrate local heritage |
| 9. Shopping Centres and Local Businesses | |

It is now the responsibility of Coalfield Sunderland Area Committee to deliver their Delivery Plan and which will form the work programme for the Area Committee and the Neighbourhood and Community Board for the coming months and years.

NB: numbers are for reference only, they do not list priorities in order.

Neighbourhood Investment priority		
1 Tackle Empty Properties

Action	Next Steps?	
Explore the feasibility of implementing a time limit on how long properties can be boarded up.	Request an update on current delivery in the area from the Empty Property Team and invite officers to attend a Board meeting	<p>Officers from Housing Services gave an update to the February 2022 N&C Board meeting about the range of functions within the service, including:</p> <p>Private Rented Sector - Officers work in partnership with Private Landlords to tackle poor property standards to improve management practices via a range of measures including accreditation, private sector leasing and deposit guarantee.</p> <p>Empty Homes - Officers work to tackle empty homes and return them back into sustainable occupation across the City. Further information regarding number of empty homes and strategies to improve problematic areas were discussed.</p>
Explore all types of enforcement powers to improve neighbourhoods	Invite relevant officers to discuss where Area Committee can influence and add value to current services. Request update on enforcement reporting and feedback	<p>The Enforcement Task and Finish group received updates from a number of officers on the various enforcement powers available. Actions by Environmental Enforcement and ASB teams has taken place, including the removal of a number of nuisance/derelict caravans which were causing a blight on neighbourhoods.</p> <p>An update was given to the February 2022 Board meeting regarding</p>

		<p>additional resources for the Coalfield area including 2 fixed term enforcement wardens and 5 additional street watch cameras which will be deployed and monitored for a 6 month period with results being presented to the Board.</p> <p>To complement the work to date, and to encourage community ownership and resident participation, the N&C Board explored the development of a 'Clean it, Green it' project at the November 2021 meeting. Further information was requested and was presented to the February 2022 Board meeting. A recommendation to allocate a budget and develop a 'call for projects' was agreed at the March 2022 Area Committee. The Call went out via the VCS Network and VSA Alliance and applications received have been assessed against the project brief and scoring criteria. A recommendation is presented to the June 2022 Area Committee.</p>
Improve the physical environment of areas with high levels of empty properties and transient tenants	Request information on what environmental services provide in terms of maintenance in problematic areas.	<p>As above. The Environmental Enforcement team has employed a number of additional officers who can work across all areas to increase capacity in the Coalfield area. Housing services updated the Board at the February 2022 meeting and highlighted work they are carrying</p>

		out in areas with high levels of empty properties.
2 Review derelict land and properties to further create green and cultural communities

Action		
Request an update on derelict land and properties to Coalfield Neighbourhood and Community Board	Invite relevant officers to a future Board meeting to inform specific areas where Area Committee can provide additional resources	The Green Infrastructure programme (now re-named LinkTogether) will address some of the areas identified by Members. Other areas will be discussed at future meetings with the Local Services Manager. The Neighbourhood Fund environmental improvements project is delivering small scale projects to support this priority. Housing services updated the Board at the February 2022 meeting and highlighted work they are carrying out in areas with high levels of problematic properties
Carry out environmental improvements at Flintmill Park and other identified greenspaces	Invite the lead on the Coalfield Green Infrastructure Strategy to attend Area Board in order to explore further project development	A request for funding for £200,000 Neighbourhood Fund to deliver environmental improvements was approved by the December 2021 Area Committee as part of the Link Together project. This will be used as match funding for a project application for almost £1m which has been submitted to the Heritage Fund. Funding for the development phase of the project has now been approved by Heritage Fund and an application is presented to the June 2022 Area Committee for additional

		funding to bridge the gap between development and delivery phases.
Look at open and green spaces across the wards where derelict land, where not identified for other use, can be improved and/or used for community activity	Invite the lead on the Coalfield Green Infrastructure Strategy to attend Area Board in order to explore further project development	<p>A report has been provided identifying a number of green spaces which can be improved or enhanced to encourage increased community use including Keir Hardie field, Newbottle and Barnwell field. Other sites have been assessed and projects will be developed using the information provided. The LinkTogether project is designed to engage local people and encourage community use.</p> <p>The N&C Board explored the development of a 'Clean it, Green it' project at the November 2021 meeting. Further information was requested and was presented to the February 2022 Board meeting. A recommendation to allocate a budget and develop a 'call for projects' was agreed by the March Area Committee</p> <p>It is recommended that the application made by Springboard is approved at the June 2022 Area Committee meeting. It meets the project brief and will work with a number of local organisations.</p>
3 Ensure all available enforcement powers are used to tackle those who continue to fly tip, drop litter and spoil the neighbourhood

<p>Consider dealing with unsightly caravans, unroadworthy cars and advertising vehicles taking up space on grass verges</p>	<p>Set up Enforcement Task Group to consider all enforcement powers the Council have. Invite relevant officers to discuss where Area Committee can influence and add value to current services</p>	<p>Actions by Environmental Enforcement and ASB teams has taken place, including the removal of a number of nuisance/derelict caravans which were causing a blight on neighbourhoods.</p> <p>An update was given to the February 2022 Board meeting regarding additional resources for the Coalfield area including 2 fixed term enforcement wardens and 5 additional street watch cameras which will be deployed and monitored for a 6 month period with results being presented to the Board. The council 'report it' system should be used to report any incidents of ASB or environmental damage. Resources are deployed in areas of highest reporting and therefore it is important that all residents ensure reporting is carried out.</p> <p>An officer has been employed to deal with nuisance and abandoned vehicles</p>
<p>Continue the multi agency approach to large and ongoing fly-tips at the former Forest Estate, Easington Lane</p>	<p>Invite relevant officers to provide information to the Task group (above) and continue to feed into LMAPS</p>	<p>The multi agency action at this site is ongoing. LMAPS continue to monitor and take action to maintain improvements. Although there have been some successes in terms of prosecution/fines/vehicle removal it is difficult to obtain evidence on which to tackle the issue entirely. Senior Council officers are in discussion with other land owners to identify a</p>

		strategic partnership solution to the issue
