

# Washington Wheeled Sports Park

**2<sup>nd</sup> July 2009**

**Step 6**

Process  
endorsed by  
Washington  
Area  
Committee on  
04.02.09

# Clarifications

- Quality Check since 22 June 2009
  - We have reviewed and double checked NE9 and DH4 postcodes and included,
  - Double checked all other NE38, NE37 postcodes,
  - We have revisited void returns, original information was for paper based returns only,
  - Void returns now include paper and electronic.

## Impact

- **Minor variations to vote results and age categories**
- **Overall impact does not change results**

# Summary of Responses

- **Total number of valid returns = 342**
  - 237 paper forms completed
  - 105 online forms completed
- **Breakdown by Washington Postal Code**
  - NE38 - 257
  - NE37 - 76
  - NE9 - 7
  - DH4 - 2
- **Breakdown of valid returns per age group**
  - 0-7 years – 8 votes
  - 8-13 years – 36 votes
  - 14-19 years – 125 votes
  - 20+ years – 173 votes

# Void Returns

- **Total number of void returns (paper and electronic) - 103**
- Types of voids include:
  - No Name
  - Duplicate responses
  - Any incomplete data such as address, age, or postal code.
  - Postal codes outside of Washington Area e.g. DH4
- In addition, email votes or petitions 'for or against' a site which were not on the correct forms or e-voting system were not included, as the data could not be validated. i.e.. We had no way of knowing if they were duplicate votes.

## First Choice Order

1. **Crocodile Pond (Princess Anne Park) – 198 (57.9%)**
2. **Albany Park – 61 (17.8%)**
3. **Glebe Park - 58 (17%)**

5. **Arts Centre Washington – 6 (1.8%)**
6. **Rickleton – 2 (0.6%)**

## Second Choice Order

1. **Albany Park -126 (36.8%)**
2. **Crocodile Pond (Princess Anne Park) – 74 (21.6%)**
3. **Glebe Park -64 (18.7%)**
4. **Arts Centre Washington – 40 (11.7%)**
5. **Roseberry Court (Sulgrave) – 28 (8.2%)**
6. **Rickleton – 10 (2.9%)**

## Combined Choice Order

1. **Crocodile Pond (Princess Anne Park) – 272 (39.8%)**
2. **Albany Park – 187 (27.3%)**
3. **Glebe Park – 122 (17.8%)**
4. **Arts Centre Washington – 46 (6.7%)**
5. **Roseberry Court (Sulgrave) – 45 (6.6%)**
6. **Rickleton – 12 (1.8%)**

# Votes by sites and age bracket

Site	Total votes	Total %	20+ yrs	% total votes	Young people (0-19yrs)	% total votes
<b>Crocodile Pond</b>	272	39.8	155	22.7	117	17.1
<b>Albany Park</b>	187	27.3	108	15.8	79	11.5
<b>Glebe Park</b>	122	17.8	33	4.8	89	13
<b>Arts Centre</b>	46	6.7	20	2.9	26	3.8
<b>Roseberry Court</b>	45	6.6	22	3.2	23	3.4
<b>Rickleton</b>	12	1.8	8	1.2	4	0.6
<b>Totals</b>	<b>684</b>	<b>100%</b>	<b>346</b>	<b>50.6%</b>	<b>338</b>	<b>49.4%</b>

# Breakdown of Votes from Void Returns

## First Choice Order

- Crocodile Pond (Princess Anne Park) – 31 votes
- Albany Park – 34 votes
- Glebe Park – 25 votes
- Arts Centre Washington – 0 vote
- Roseberry Court (Sulgrave) – 2 votes
- Rickleton – 0 votes

## Second Choice Order

1. Crocodile Pond (Princess Anne Park) – 24 votes
2. Albany Park – 17 votes
3. Glebe Park – 14 votes
4. Arts Centre Washington – 9 votes
5. Roseberry Court (Sulgrave) – 18 votes
6. Rickleton – 2 votes

Predominant returns support most popular site.

# Qualitative Information

- **Crocodile Pond (Princess Anne Park)**
  - “Easy to get there”
  - “It will be a better use of land”
  - “Next to police station”
  - “Away from residential housing”
- **Albany Park**
  - “Popular park”
  - “Plenty of room”
- **Glebe Park**
  - “Nearest to the Pitstop”
  - “Central in Washington”
- **Roseberry Court (Sulgrave)**
  - “Close to main bus routes, safe area in view of main road”
  - “Open area, well lit up”
- **Arts Centre Washington**
  - “Cleanest area”
- **Rickleton**
  - “Open land not near housing”

# Concerns and Barriers

- **Crocodile Pond (Princess Anne Park)**
  - ‘Secluded’
- **Albany Park**
  - “Too many people drinking”
- **Glebe Park**
  - “Currently used for football”
  - “Too near to busy main roads”
- **Roseberry Court (Sulgrave)**
  - “Vandalism”
  - “Near OAP home”
- **Arts Centre Washington**
  - “Not very central”
- **Rickleton**
  - “Too far away”

# Local Multi Agency Partnership Meeting Feedback. (LMAPS Sub-Group – June 2009)

## 1. Crocodile Pond (Princess Anne Park)

- Close to police station and close to LC for oversight.
- Trees would need thinning out for better visibility
- Existing lighting columns are an advantage for potential CCTV.

## 2. Glebe Park

- Location within park would be too hidden and may attract anti-social behaviour.
- Should be located further towards the DUGA in clear view as originally proposed.

## 3. Albany

- Bushes along Albany Way should be removed for better visibility.
- Walkways on the designs need amending for safety reasons as it looks like a main walkway goes straight through the WSP. This could lead to conflict with walkers and dog walkers.

# Local Multi Agency Partnership Meeting Feedback. (LMAPS Sub-Group – June 2009)

## 4. **Roseberry Court (Sulgrave)**

- Very concerned about sheltered housing and care homes.
- On a busy main road and sightlines are poor.

## 5. **Rickleton**

- Poor for surveillance.
- Concerns about closest facilities being a public house and an off licence.
- Bus links are poor.

## 6. **Arts Centre Washington**

- Concerns about closest facilities being a public house and an off licence.
- Cars parked in the car park could be a potential target for crime.

# Recommendations

- **The preferred site by residents is Princess Anne Park - Crocodile Pond**
- **Seek endorsement from Area Committee to proceed to step 7 for the option of Princess Anne Park, Crocodile Pond**
- **Seek endorsement to proceed to full planning application which would include associated consultation with residents who live locally to the site**
