REPORT OF THE EXECUTIVE DIRECTOR OF HEALTH, HOUSING AND COMMUNITIES

2. Background Information

- 2.1 Every year the five Area Committee annual reports are united into one combined report and presented to Council.
- 2.2 The Annual Report provides an overview of the work undertaken by the five Area Committees throughout 2022/23. It provides details of where the elected Members, through Area Committees and the supporting Neighbourhood and Community Boards, have influenced local service delivery, and delivered a range of other activities and projects to meet the agreed priorities as set out within their Area Plans, for the benefit of residents and communities.
- 2.3 The report demonstrates how the Area Arrangements process is integral to supporting elected Members in their role as community leaders and how Area Committees continue to work collaboratively with partners to bring forward opportunities, maximising social value and co-production, to support local people and to develop more resilient, stronger communities.

 - Consult, engage and work collaboratively with partners (including the Voluntary and Community Sector, public and private sector) in development and delivery of the Area Plan and maximising social value within communities

4. Conclusion

- 4.1 During 2022/23 the Area Committees have been involved in shaping and delivering a wide range of activities to meet the needs of local communities. During 2023/24 Area Committees will continue to work hard to deliver the priorities within their Area Plans.
