The Phoenix Project -									
Community Outreach									
Programme	31.10.05	6	1.833	4.167	The Phoenix Project				
SIB funding was provided from all six Area Committees to support the Phoenix Project. The project,									
led by the Fire Service, works in p	ed by the Fire Service, works in partnership with the Youth Offending Service, by delivering intensive								
work experience and courses to offenders. SIB funding will also contribute towards the refurbishment									
and upgrade of the Community Sa					5				
in which a further 200 - 300 young	• •								
has been on the various in house	•			•					
purchase of equipment which has fees connected with the refurbishn			•		•				
stages. The Planning application h									
complete and agreed the refurbish	-	•		-	-

SIB funding has been sought to employ a part-time member of staff to develop the services and capacity of the project, who currently support various organisations and networks across the city, to help them improve their work with disabled people. A website will also be developed as part of the project which will allow different organisations to access vital information about services on offer across the City. As a result of SIB funding the project has been able to secure additional funding to provide Equality Disability Awareness Packs to be distributed within the local area and have held a 3 day training event in conjunction with the NHS Trust on disability awareness and the development of Disability awareness for children. The project and expenditure are ongoing.

Project	Approval	Alloc. £k	Exp to date	Balance £k	Lead Agent
The A690 Youth Initiative	04.06.07	25.502	5.999	19.503	A690 Youth Initiative

SIB is contributing towards employing a full and part time youth worker for two sessions a week, to develop the 'Dreamscheme Initiative across Silksworth, Farringdon and Plains Farm. The scheme uses detached youth work methods to engage young people to become more involved in their communities. Groups of young people are encouraged to develop ideas for projects that will benefit their community and their efforts are rewarded with points that can be accumulated over a period of time and traded for activities. It is envisaged that through the 'Dreamscheme Initiative' young people will be encouraged to get involved in other initiatives that are currently available through the A690 Youth Initiative such as midnight football league, teenager think it over programmes, school holiday activity programmes, the Duke of Edinburgh Award and other events and programmes that are offered at different times of the year. To date the detached youth workers have engaged with over 30 young people a week, in various community activities which have included litter picking at Silksworth Sky Slope, a general tidy up of the area and painting of football goal posts.

Extended Services Project -						
East Herrington Primary					East Herrington	
School	29.10.07	12.5	0	12.5	Primary School	
SIB funding has been sought as a contribution towards the overall cost to further develop extended school activities by brining into use the school hall/gym for community use. This will be achieved by building a storage area, which will enable the school's equipment to be moved and stored away to allow the hall/gym to be used as a meeting and learning venue by the local community. As a result of						

this extra storage area funded through SIB, appropriate external and internal storage will enhance the community provision by ensuring that Health & Safety regulations are adhered to, will extend the space available in the room as equipment can be moved and stored away correctly and securely, will allow further development of a range of activities offered to both pupils and the local community and will also enable the extension of current Out of School Hours Club activities.

Durham County Show 2008	29.10.07	1.5	0	1.5	Durham County Agricultural Society		
Durham County Show 200829.10.071.501.5Agricultural SocietySIB funding from all six Area Committees to support this 2 day event which is scheduled to take place on the 12/13th of July 2008. The event is organised and run by Durham County Agricultural Society and local volunteers in a tradition which dates back to 1841. The show covers a range of entertainment which includes dog shows, show jumping, exhibitions, entertainment, a fairground and an Amphitheatre of music provided by young people from across the City. In recent years the show has attracted crowds of over 40,000 over the 2 days and has brought kudos and recognition to the City. SIB will be used as a contribution towards the overall cost of the show and as leverage to attract further funding to the event.1.501.5Agricultural Society
