

WORK PROGRAMME 2021/22**REPORT OF THE SCRUTINY, MAYORAL AND MEMBERS' SUPPORT COORDINATOR****1. Purpose of the Report**

- 1.1 The report attaches, for Members' information, the current work programme for the Committee's work during the 2021-22 Council year.
- 1.2 The report also provides an update on a number of potential topics as raised by Members, for the Committee's consideration.

2. Background

- 2.1 The work programme is a living document which Committee can develop throughout the year. As a living document the work programme allows Members and Officers to maintain an overview of work planned and undertaken during the Council year.
- 2.2 In order to ensure that the Committee is able to undertake all of its business and respond to emerging issues, there will be scope for additional meetings or visits not detailed in the work programme.
- 2.3 The work programme should reflect the remit of the Committee and the need to balance its responsibility for undertaking scrutiny, performance management and policy review (where necessary).

3. Work Programme Update

- 3.1 The Health and Wellbeing Scrutiny Committee raised a number of issues at its work programme development session and a number of these issues have now been programmed into the Committee's work programme for 2021/22.
- 3.2 As this is the last meeting in the municipal year of the current committee cycle it should be noted that any remaining issues will be transferred into next year's work programme and discussed at future work programming sessions with the membership of the Health and Wellbeing Scrutiny Committee.

4. Recommendations

- 4.1 That the Health and Wellbeing Scrutiny Committee notes and comments on the work programme of the committee, including amendments.
