SCHOOL ADMISSION ARRANGEMENTS - SEPTEMBER 2010 REPORT

REPORT OF THE DIRECTOR OF CHILDREN'S SERVICES

1. PURPOSE OF THE REPORT

- 1.1 To seek approval of the school admission arrangements for September 2010.

2. DESCRIPTION OF THE DECISION

- 2.1 Cabinet is recommended to approve:
- i the admission policy and procedures;
 - ii details of the oversubscription criteria;
 - iii published admission numbers (PANS).

3. BACKGROUND

- 3.1 The School Standards & Framework Act 1998 (as amended by the Education & Inspections Act 2006, implementing Regulations and the associated statutory School Admissions Code) has established a framework for consultation on admission arrangements.
- 3.2 The Act requires the Local Authority (in respect of Community & Voluntary Controlled Schools) to determine, before the beginning of the relevant school year, the admission arrangements which are to apply in respect of that year.
- 3.3 The Local Authority is required to consult all schools (including Voluntary Aided and Trust Schools and Academies), CE & RC Dioceses and neighbouring Local Authorities by 1 March 2009, about the admission arrangements for September 2010.

4. CURRENT POSITION

- 4.1 As in previous years, the Local Authority proposes to operate a co-ordinated scheme with Voluntary Aided and Trust schools, Academies and neighbouring Local Authorities.
- 4.2 Appendix 1 sets out the proposed admission arrangements; Appendix 2 sets the oversubscription criteria. For 2010 there are no proposed changes to the arrangements or oversubscription criteria currently in place. Consultation, as outlined in paragraph 3.3, was completed on Friday 20 February 2009. At this point only one response (relating to a future admission from a parent of a year 3 pupil) was received and was responded to by the Admissions team. With Cabinet approval, it is intended to forward the agreed admissions arrangements to the DCSF as required by law.

- 4.3 Appendix 3 shows the PANs for September 2010 proposed by the Local Authority, as part of the consultation. The change proposed for 2010 is to the PAN for St Benet's RC Primary School. The proposed change is as a result of a reversion back to the previous PAN, which was increased for 2009 to take account of the high number of Catholic children of that age group living within the parish.
- 4.4 There may be changes to PANs as a result of consultation with governing bodies and the citywide school place planning review, but this would not change the admission arrangements or criteria and therefore would not impact on the submission of the arrangements to the DCSF.

5. REASONS FOR THE DECISION

- 5.1 Cabinet approval of the admission arrangements is required prior to submission to DCSF and publication for parents

6. LEGAL IMPLICATIONS

- 6.1 In line with the School Admissions Code, Local Authorities must consult, determine, and publish its admission arrangements.

7. RELEVANT CONSULTATION

- 7.1 Consultation took place with Headteachers and Chairs of Governing Bodies of Community, Voluntary Controlled, Voluntary Aided and Trust Schools and Academies; CE & RC Dioceses and neighbouring Local Authorities.

8. BACKGROUND PAPERS

- 8.1 Report to Cabinet 16 April 2008

Commencement and extent

This scheme applies in relation to the admission arrangements for the schools for admission year 2010/2011 (the specified year).

The LA will include in its admission arrangements for the specified year the provisions set out in Schedule 1 to this scheme, or provisions having the same effect.

The governing body of each of the VA and trust schools and academies will include in its admission arrangements for the specified year the provisions set out in the Schedule, so far as relevant to that school, or provisions having the same effect.

The Scheme

1. The Scheme shall be determined in accordance with the provisions set out in Schedule 1 and processed in accordance with the timetable set out in Schedule 2.
2. The Scheme shall apply to every secondary school in the LA area as identified in Appendix 1 (except special schools) and shall take effect from 16 April 2009.
3. The Scheme will also include applications from parents seeking admission to Sunderland schools who live within the following neighbouring LAs:
 - Durham LA

- Gateshead LA
- South Tyneside LA

We will also co-ordinate our admission process with any other Admission Authorities where relevant.

SCHEDULE 1

PART I - THE SCHEME

1. There will be a standard form known as the Application form (AF).
2. The AF will be used for the purpose of admitting pupils into the first year of secondary education in the specified year, and for any applications made for a casual admission into any year group in the admissions round leading up to, and during, the academic year 2009/2010.
3. The AF must be used as a means of expressing up to 3 preferences for the purposes of section 86 of the School Standards and Framework Act 1998, by parents resident in the LA area wishing to express a preference for their child-
 - a. to be admitted to a school within the LA area (including VA and trust schools and academies);
 - b. to be admitted to a school located in another LA's area (including VA and trust schools and academies).
4. **The AF will -**
 - a. allow the parent to express up to 3 preferences by completing the form, including, where relevant, any schools outside the LA's area, in rank order of preference,
 - b. invite parents to give their reasons for each preference,
 - c. specify the closing date and where the AF must be returned, in accordance with paragraph 10.
5. **The LA will make appropriate arrangements to ensure:**
 - a. that the AF is available on request from the LA and on-line at **www.sunderland.gov.uk** and
 - b. that the AF is accompanied by a written explanation of the co-ordinated admissions scheme.

6. The LA will take all reasonable steps to ensure that:

- a. every parent resident in the LA area who has a child in their last year of primary education receives a copy of the AF (and a written explanation); and
- b. every parent whose application falls within the category of a casual admission receives a copy of the AF (and written explanation), on request, and understands the process.

Parents will be advised that they will receive no more than one offer of a school place and that:

- (i) a place will be offered at the highest ranking nominated school for which they are eligible for a place under the admission criteria; and
- (ii) explain that, if more than one school is nominated and no order of ranking is stated, the parent will be regarded as having ranked the schools in the order appearing on the form (the first-mentioned being ranked the highest); and
- (iii) if a place cannot be offered at a nominated school, a place will be offered at an alternative school.

7. All preferences expressed on the AF are valid applications. The governing body of a VA or trust school or academy can require parents who wish to nominate, or have nominated, their school on the AF, to provide additional information on a supplementary form only where the additional information is required for the governing body to apply their oversubscription criteria to the application. Where a supplementary form is required, it will be sent to parents by the governing body for completion and returned to the school.

8. Where a school receives a supplementary form from a Sunderland resident it will not be regarded as a valid application unless the parent has also completed an AF and the school is nominated on it. Where supplementary forms are received directly by VA or trust schools or academy, the school must inform the LA immediately so it can verify whether an AF has been received from the parent and, if not, the LA will contact the parent and ask them to complete an AF. Under the requirements of the Scheme, parents will not be under any obligation to complete an individual school's supplementary form where this is not strictly required for the VA or trust or academy governing body to apply their oversubscription criteria.

9. Any school which operates criteria for selection by ability or aptitude must ensure that its arrangements for assessing ability or aptitude, to enable decisions to be made on nominations, conform with the timing requirements of the scheme as set out in Schedule 2. (NB no Community, trust or VA school or

academy in Sunderland operates criteria for selection based on ability or aptitude).

Processing of AFs

10. Completed AFs are to be returned to the LA by **Friday 30 October 2009**. It will be the responsibility of parents to ensure that AFs are returned directly or via primary schools to the LA, in a paper format or on-line by the closing date. ***(The LA will acknowledge receipt of all AFs).***

Determining offers in response to the AF

11. The LA will act as a clearing house for the allocation of places by the relevant admission authorities in response to the AFs. The LA will only make any decision with respect to the offer or refusal of a place in response to any preference expressed on the AF where-

- (a) it is acting in its separate capacity as an admission authority, or
- (b) an applicant is eligible for a place at more than one school, or
- (c) an applicant is not eligible for a place at any school that the parent has nominated.

The LA will allocate places in accordance with the provisions set out in paragraph 18 of this Schedule.

12. Completed AFs are to be returned to the LA by the due date.

13. Completed AFs that are received after the closing date will be considered on an individual basis, but the procedure must not prevent the proper processing under the Scheme of AFs application forms received on time.

14. The LA will process all AFs. Any completed AFs must be treated as a confidential communication between the parent and the LA. All applications received by the closing date will be considered before any applications received after this closing date unless exceptional circumstances apply.

15. **By 4 December 2009** the LA will notify the admission authority for each of the VA schools, trust schools and academies of every nomination that has been made for those schools, including all relevant details and any supplementary information received by this date which schools require in order to apply their oversubscription criteria. Where parents have nominated a school outside the LA area, the LA will also similarly notify the relevant authority/authorities by **27 November 2009**.

16. **By 22 January 2010** the admission authority for each VA school, trust school and academy will consider all applications for their school and apply the school's oversubscription criteria (if appropriate) and provide the LA with a list of all potential applicants sorted (if appropriate) according to the school's oversubscription criteria.

17. By 29 January 2010 the admission authority for neighbouring LAs schools will provide a list of potential applicants and waiting lists (if appropriate).

18. By 5 February 2010 the LA will match these lists against the ranked lists of the other schools nominated and:

- Where the child is eligible for a place at the parents' first nominated school, that school will be allocated to the child.
- Where the child is not eligible for a place at the parental first nominated school, they will be allocated a place at the school, which is the next highest ranked nominated school where the child is eligible for a place.
- The LA will allocate a school place to those pupils who have not submitted an AF, after all other pupils who submitted an AF have been considered. The LA will allocate a place at the nearest appropriate school with a vacancy, as measured by the shortest safest walking route from the parental home residence to the main entrance(s) of the school.

Where the child is not eligible for a place at any of the nominated schools, the child will be allocated a place at the nearest appropriate school with a vacancy, as measured by the shortest safest walking route from the parental home residence to the main entrance(s) of the school.

19. By 12 February 2010 -The LA informs its secondary schools of the pupils to be offered places at their schools, and informs other LAs of places in Sunderland schools to be offered to their residents.

20. On 1 March 2010 parents will be notified that they are being offered a place at the allocated school. This letter will give the following information:

- The name of the school at which a place is offered;
- The reasons why the child is not being offered a place at any of the other higher ranked schools nominated on the AF;
- Information about their statutory right of appeal against the decisions to refuse places at the other nominated schools;
- Explain that the child will be considered for any places that might become available in schools they ranked higher than the school they are offered, in the re- allocation process after 26 March 2010.
- Contact details for the schools (in the case of nominated VA and trust schools and academies where they were not offered a place) and all relevant LAs, so that they can lodge an appeal.

The letter will not inform parents of places still available at other schools.

21. 19 March 2010: the deadline for parents to accept the place offered. If they do not respond by this date it will be assumed that they have accepted the

place, however the LA will continue to pursue parents for written confirmation of acceptance for oversubscribed schools.

Re-allocation Lists (Waiting lists)

22. Children will be considered under the reallocation process for any places if they become available, after 1 March 2010 but before 26 March 2010, at any school they have ranked higher on their AF than the school they were offered. For example where a parent has originally been allocated a place at their second preference school, they may be considered for their first preference but not their third and so on. Where a parent has been offered a place at a school which they did not nominate on their AF, they may be considered for all the schools they did nominate on their AF.

Where a parent receives a place at their highest ranked school, they will not normally be considered for re-allocation, nor will they be offered a place at any other school simply because it has places available.

Where there are more applicants than places available, then the priorities used within the school's admission criteria will be applied to all applicants according to ranking.

23. 26 March 2010: The LA re-allocates any places that may have become vacant since 1 March and in accordance with the school admission criteria, which will include the following:

- those who have not been offered any school place, for example, late applications from parents who have just moved into the area and have not been offered a school place;
- those who have subsequently expressed a preference for a new school not originally expressed on the AF, which will be ranked lower than any other previous preferences ranked on the AF.

PART II - LATE APPLICATIONS

24. The closing date for applications in the normal admissions round is **30 October 2009**. As far as is reasonably practicable applications for places in the normal admissions round that are received late *for a good reason* will be accepted provided they are received **before 22 January 2010**, the date the allocation procedures begin. Examples of what will be considered as good reason include: when a lone parent has been ill for some time, or has been dealing with the death of a close relative; a family has just moved into the area or is returning from abroad (proof of ownership or tenancy of a Sunderland property will be required in these cases). Other circumstances will be considered and each case decided on its own merits.

LATE APPLICATIONS RECEIVED AFTER 22 JANUARY 2010

25. Applications received after 22 January 2010 (which are not deemed as exceptional) will be considered as late and will not be processed until after 1 March 2010. Parents will, nevertheless, receive an offer of a school place on 1 March 2010 in accordance with the terms of the scheme.

NO AF RECEIVED BY 1 MARCH 2010

26. Where no AF is submitted the child will, on 1 March 2010, be offered a place at the nearest appropriate school with a vacancy as measured by the shortest safest walking route from the parental home residence to the main entrance(s) of the school. The LA will be aware which parents this applies to as a result of liaison with junior and primary schools.

APPLICATIONS RECEIVED AFTER 1 MARCH 2010 BUT BEFORE 1 APRIL 2010

27. Applications made direct to any school on the AF must be forwarded to the LA immediately. Where only the supplementary form is received the school must inform the LA immediately so it can verify whether an AF has been received from the parent and, if not, contact the parent and ask them to complete an AF. The LA will enter the details onto its central database and, after consultation with the relevant admission authority, offer a place at the school highest in the parent's order of preference that has a vacancy or if this is not possible, at the nearest appropriate school with a vacancy.

APPLICATIONS RECEIVED AFTER 1 APRIL 2010

28. Applications received after 1 April 2010, and for places in year groups other than the normal year of entry to secondary school, will be treated as casual admissions. These applications should be made on the AF and sent to the LA which maintains the school, which will

- determine any application for a community or voluntary controlled school for which it is the admission authority; and
- if the application is for a VA or trust school or academy refer the application to the governing body of the school, which will make a determination and notify both the parent and the LA. Parents who are refused admission must be offered a right of appeal.

29. If any parents approach VA or trust schools or academies directly about a casual admission, the governing body must ensure that the parent completes an AF (if they have not already done so). The AF should be sent to the maintaining LA as soon as practically possible, along with the governing body's decision on the application. The governing body will notify the LA of its decision in advance of notifying the parents and, if the parent is refused a place, the right of appeal must be offered.

30. The LA will keep track of any pupils who apply for casual admissions, and intervene as appropriate to ensure that they are placed in a school without undue delay, particularly in respect of looked after children.

WAITING LISTS FOR NORMAL YEAR OF ENTRY

31. Waiting lists will be kept for all schools from 1 April 2010 by the LA up until **10 September 2010**.

Commencement and extent

This scheme applies in relation to the admission arrangements for the schools for admission year 2010-2011 (the specified year).

The LA will include in its admission arrangements for the specified year the provisions set out in Schedule 1 to this scheme, or provisions having the same effect.

The governing body of each of the VA schools and Academy will include in its admission arrangements for the specified year the provisions set out in the Schedule, so far as relevant to that school, or provisions having the same effect.

The Scheme

4. The Scheme shall be determined in accordance with the provisions set out in Schedule 1 and processed in accordance with the timetable set out in Schedule 2.
5. The Scheme shall apply to every infant, junior & primary school in the LA area as identified in Appendix 1 (except special schools) and shall take effect from 16 April 2009.

SCHEDULE 1

PART I - THE SCHEME

1. There will be a standard form known as the Application form (AF).
2. The AF will be used for the purpose of admitting pupils into the first year of primary education and for those transferring from infant to junior or primary schools in the specified year. The AF will also be used for any applications made for a casual admission into any year group in the admissions round leading up to, and during, the academic year 2010/2011.
3. The AF must be used as a means of expressing up to 3 preferences for the purposes of section 86 of the School Standards and Framework Act 1998, by parents wishing to express a preference for their child to be admitted to a school within the LA area (including VA schools and Academies).

4. The AF will -

- a. allow the parent to express up to 3 preferences by completing the form, in rank order of preference,
- b. invite parents to give their reasons for each preference,
- c. specify the closing date and where the AF must be returned, in accordance with paragraph 10.

6. 5. The LA will make appropriate arrangements to ensure:

- a. that the AF is available on request from the LA and on-line at **www.sunderland.gov.uk** and
- b. that the AF is accompanied by a written explanation of the co-ordinated admissions scheme.

6. The LA will take all reasonable steps to ensure that:

- a. every parent resident in the LA area who has a child eligible to commence primary education and those transferring from infant to junior or primary schools receives a copy of the AF (and a written explanation); and

- b. every parent whose application falls within the category of a casual admission receives a copy of the AF (and written explanation), on request, and understands the process.

Parents will be advised that they will receive no more than one offer of a school place and that:

- (iii) a place will be offered at the highest ranking nominated school for which they are eligible for a place under the admission criteria; and
- (iv) explain that, if more than one school is nominated and no order of ranking is stated, or a wish expressed that they be ranked equally, the parent will be regarded as having ranked the schools in the order appearing on the form (the first-mentioned being ranked the highest); and
- (iii) if a place cannot be offered at a nominated school, a place will be offered at an alternative school.

7. All preferences expressed on the AF are valid applications. The governing body of a VA school or Academy can require parents who wish to nominate, or have nominated, their school on the AF, to provide additional information on a supplementary form only where the additional information is required for the governing body to apply their oversubscription criteria to the application. Where a supplementary form is required it must be returned to the LA, along with the AF, so that the relevant forms can be passed to the VA school/s and Academy.

8. Where a school receives a supplementary form it will not be regarded as a valid application unless the parent has also completed an AF and the school is nominated on it. Where supplementary forms are received directly by VA schools and Academies the school must inform the LA immediately so it can verify whether an AF has been received from the parent and, if not, the LA will contact the parent and ask them to complete an AF. Under the requirements of the scheme, parents will not be under any obligation to complete an individual school's supplementary form where this is not strictly required for the VA or Academy governing body to apply their oversubscription criteria.

9. Any school which operates criteria for selection by ability or aptitude must ensure that its arrangements for assessing ability or aptitude, to enable decisions to be made on nominations, conform with the timing requirements of the scheme as set out in Schedule 2. (NB no community, voluntary controlled or VA School or Academy in Sunderland operates criteria for selection-based ability or aptitude).

Processing of AFs

10. Completed AFs are to be returned to the LA by **Friday 6 November 2009**. It will be the responsibility of parents to ensure that AFs are returned

directly or via nursery, infant or primary schools to the LA, in a paper format or on-line by the closing date. **(The LA will acknowledge receipt of all AFs).**

Determining offers in response to the AF

11. The LA will act as a clearing house for the allocation of places by the relevant admission authorities in response to the AFs. The LA will only make any decision with respect to the offer or refusal of a place in response to any preference expressed on the AF where-

- (b) it is acting in its separate capacity as an admission authority, or
- (b) an applicant is eligible for a place at more than one school and is allocated a place at the highest ranked school, or
- (c) an applicant is not eligible for a place at any school that the parent has nominated.

The LA will allocate places in accordance with the provisions set out in paragraph 17 of this Schedule.

12. Completed AFs are to be returned to the LA by the due date.

13. Completed AFs that are received after the closing date will be considered on an individual basis, but the procedure must not prevent the proper processing under the Scheme of AFs received on time.

14. The LA will process all AFs . Any completed AFs must be treated as a confidential communication between the parent and the LA. All applications received by the closing date will be considered before any applications received after this closing date unless exceptional circumstances apply.

15. By 4 December 2009 the LA will notify the admission authority for each of the VA schools and Academy of every nomination that has been made for that school, including all relevant details and any supplementary information received by this date which schools require in order to apply their oversubscription criteria.

16. By 22 January 2010 the admission authority for each VA school and academy will consider all applications for their school and apply the school's oversubscription criteria (if appropriate) and provide the LA with a list of all potential applicants sorted (if appropriate) according to the school's oversubscription criteria.

17. By 5 February 2010 the LA will match these lists against the ranked lists of the other schools nominated and:

- Where the child is eligible for a place at the parents' first nominated school, that school will be allocated to the child.
- Where the child is not eligible for a place at the parental first nominated school, they will be allocated a place at the school, which is the next highest ranked nominated school where the child is eligible for a place.

- The LA will allocate a school place to those pupils who have not submitted an AF, after all other pupils who submitted an AF have been considered. The LA will allocate a place at the nearest appropriate school with a vacancy, as measured by the shortest safest walking route from the parental home residence to the main entrance(s) of the school.

Where the child is not eligible for a place at any of the nominated schools, the child will be allocated a place at the nearest appropriate school with a vacancy, as measured by the shortest safest walking route from the parental home residence to the main entrance(s) of the school.

18. By 12 February 2010 -The LA informs its infant, junior & primary schools of the pupils to be offered places at their schools.

19. On 1 March 2010 parents will be notified that they are being offered a place at the allocated school. This letter will give the following information:

- The name of the school at which a place is offered;
- The reasons why the child is not being offered a place at any of the other higher ranked schools nominated on the AF;
- Information about their statutory right of appeal against the decisions to refuse places at the other nominated schools;
- Explain that the child will be considered for any places that might become available in schools they ranked higher than the school they are offered, in the re- allocation process after 26 March 2010.
- Contact details for the schools (in the case of nominated VA schools and Academy where they were not offered a place), so that they can lodge an appeal.

The letter will not inform parents of places still available at other schools.

20. 19 March 2010: the deadline for parents to accept the place offered. If they do not respond by this date it will be assumed that they have accepted the place, however the LA will continue to pursue parents for written confirmation of acceptance for oversubscribed schools.

Re-allocation Lists (Waiting lists) 26 March 2010

21. Children will be considered under the re-allocation process for any places if they become available after **1 March 2010** at any school they have ranked higher on their AF than the school they were offered. Where a parent has been allocated a place at their second preference school, they may be placed on the re-allocation list of their first preference but not their third and so on. Where a parent has been offered a place at a school which they did not nominate on their AF, they may be placed on the list of all the schools they did nominate on their AF.

Where a parent receives a place at their highest ranked school, they will not normally be considered for re-allocation, nor will they be offered a place at any other school simply because it has places available.

Where there are more applicants than places available, then the priorities used within the school's admission criteria will be applied to all applicants according to ranking.

22. 26 March 2010: The LA re-allocates any places that may have become vacant since 1 March and in accordance with the school admission criteria which will include following:

- those who have not been offered any school place, for example, late applications from parents who have just moved into the area and have not been offered a school place; and
- those who have subsequently expressed a preference for a new school not originally expressed on the AF which will be ranked lower than any other previous preferences ranked on the AF.

PART II - LATE APPLICATIONS

23. The closing date for applications in the normal admissions round is **6 November 2009**. As far as is reasonably practicable applications for places in the normal admissions round that are received late *for a good reason* will be accepted provided they are received **before 22 January 2010**, the date the allocation procedures begin. Examples of what will be considered as good reason include: when a lone parent has been ill for some time, or has been dealing with the death of a close relative; a family has just moved into the area or is returning from abroad (proof of ownership or tenancy of a Sunderland property will be required in these cases). Other circumstances will be considered and each case decided on its own merits.

LATE APPLICATIONS RECEIVED AFTER 22 JANUARY 2010

24. Applications received after **22 January 2010**, which are not deemed as exceptional will be considered as late and will not be processed until after **1 March 2010**. Parents will, nevertheless, receive an offer of a school place on **1 March 2010** in accordance with the terms of the scheme.

NO AF RECEIVED BY 1 MARCH 2010

25. Where no AF is submitted the child will, on **1 March 2010**, be offered a place at the nearest appropriate school with a vacancy as measured by the shortest safest walking route from the parental home residence to the main entrance(s) of the school. The LA will be aware of which parents this applies to as a result of liaison with nursery, infant & primary schools.

APPLICATIONS RECEIVED AFTER 1 MARCH 2010 BUT BEFORE 1 APRIL 2010

26. Applications made direct to any school on the AF must be forwarded to the LA immediately. Where only the supplementary form is received the school must inform the LA immediately so it can verify whether an AF has been received from the parent and, if not, contact the parent and ask them to complete an AF. The LA will enter the details onto its central database and, after consultation with the relevant admission authority, offer a place at the school highest in the parent's order of preference that has a vacancy or if this is not possible, at the nearest appropriate school with a vacancy (as defined in paragraph 17).

APPLICATIONS RECEIVED AFTER 1 APRIL 2010

27. Applications received after 1 April 2010, and for places in year groups other than the normal year of entry to infant, junior & primary schools, will be treated as casual admissions. These applications should be made on the AF and sent to the LA, which will

- determine any application for a community or voluntary controlled school for which it is the admission authority; and

- if the application is for a VA school or Academy refer the application to the governing body of the school, which will make a determination and notify the LA in advance of their notification to the parent. Parents who are refused admission must be offered a right of appeal.

28. If any parents approach VA schools or Academies directly about a casual admission, the governing body must ensure that the parent completes an AF (if they have not already done so). The AF should be sent to the maintaining LA as soon as practically possible, along with the governing body's decision on the application. The governing body will notify the LA of its decision in advance of notifying the parent and, if the parent is refused a place, the right of appeal must be offered.

29. The LA will keep track of any pupils who apply for casual admissions, and intervene as appropriate to ensure that they are placed in a school without undue delay, particularly in respect of looked after children.

Waiting lists for normal year of entry

30. Waiting lists for schools will be kept by the LA up until **10 September 2010**.

ADMISSION CRITERIA FOR COMMUNITY SECONDARY SCHOOLS – 2010/11

1. **‘Looked-after’ child** – a child that is looked-after by a Local Authority.
2. **Attendance in Key Stage 2 (age 7-10+) at a designated cluster junior or primary school**
3. **A sibling link** - an older brother/sister or older child that shares the same parent/carer and lives at the same address, who will still be attending the preferred school at the time of admission.
4. **Exceptional medical or psychological reasons** you must include a medical or psychological report, prepared by a professional, to confirm information that you include in this section. This report should explain why only this school can accommodate your child’s medical or psychological needs. Common childhood medical conditions such as asthma or giving a child’s nervousness at starting new school as a psychological reason for choosing a particular school are unlikely to be accepted as exceptional. If you intend to use this criterion when expressing a preference, please contact the School Admissions Team before completing the application form. (Eligibility under this category will be considered by a meeting of Senior LA Officers).
5. **Pupils for whom preferences are expressed on grounds other than those outlined above.**

Within each of the above, places will be offered on the basis of distance from the home address to the main entrance of the school. Distance is measured by the shortest safest walking distance, using a geographical information system (GIS).

Where a pupil has a statement of special educational needs naming a school, a place will be offered at that school (subject to confirmation by the SEN Unit).

At the first stage of allocations there will be no distinction between 1st, 2nd, 3rd etc. preference applications. Therefore all applications will be considered equally against the admission criteria. If a pupil then qualifies for a place at more than one school, the parent’s highest ranked preference will be offered and any lower ranking offers will be disregarded.

In determining allocations, priority will be given to those applications where the parental preference is received by the published deadline date.

ADMISSION CRITERIA FOR COMMUNITY AND CONTROLLED INFANT/JUNIOR/PRIMARY SCHOOLS – 2010/11
